Chiloquin

Mr. and Mrs. Lloyd Peters were hosts on Thursday night for a family dinner at their south Chiloquin home. Present for the evening were Mr. and Mrs. Lawson Swihart of Ontario, Calif., aunt and uncle of Mrs. Peters, Mrs. Rose Martin, Mr. and Mrs. Bob Perkins and their two boys Terry and Jerry, all of Klamath Falls, Mr. and Mrs. Dallas Vernon, daughter, Prudence, and Lawson Martin, all of Primeville, and Mr. and Mrs. Lee Peters and Michael.

Guests of Mr. and Mrs. Charles Steber last week-end were Mr. and Mrs. Claude Carnegie and her sister, Hilda Bartell, all of Portland. The two families had known each other a few years ago in Juneau, Alaska. Stebers and their guests visited Crater Lake on Sunday.

Guests of Mr. and Mrs. Sherman Maher this past week have been cousins of their host, Bonnie and Dick Tuttle of Hotchkiss, Colo. Tut-

tle may attend Oregon Technical institute.

Mrs. William Priebe has begun work in the Crosscut cafe. She worked there several years ago.

Mrs. Chet Flury and son, Dick, from Eagle Point were in town visiting with friends and relatives for four days this week. They were guests of Mrs. Ruby Peeler until Friday evening when Dick stayed with his cousin, Leroy Gienker Jr. David Kircher, who has spent the summer with his brother, Glen, plans to remain here through the winter and attend the local school. The two boys traveled to Medford a week ago to attend the wedding of their older brother, Allan, who has been working here this summer, left to join their parents in Roseburg. Kenneth will return to the University of Oregon for his senior year, and toward plans to attend school in Ashland at Southern Oregon college. Remo Mimato also plans to attend college in Ashland.

Gillis Hannigan, who has made his home with Mr. and Mrs. Kenneth Roberts during the past two summers, left on Friday evening to

spend a few weeks with his parents, Mr. and Mrs. Ogden Brooks, in northwestern Washington, before returning for his sophomore year at Gonzaga university in Spokane. Gillis traveled north with his sister and brother-in-law, Mr. and Mrs. Paul Dolan of Lafayette, Ill. Dolan has recently been graduated from Purdue university and is planning to locate in the West.

Mr. and Mrs. Frank Lambo and children, Nancy, Lana and Jerry, were recent guests of Mrs. Lambo's aunt, Mrs. B. M. Potter, before they continued to Medford, where they will make their home after having lived in Klamath Falls for a number of years. The oldest daughter, Nancy, will return to attend her senior year in high school in Klamath Falls.

Mrs. Charles Burton, who spent the summer months in San Francisco visiting with her sister and attending summer school, is moving to Klamath Falls as she will teach at Altamont this year. Mrs. Burton has been a member of the local teaching staff for a number of years.

Mrs. Albel B. Rorer drove to Ashland last week-end to get her daughter, Lorna. Mrs. Rorer had finished summer school in Ashland

the week before, but Lorna had stayed in the valley an extra week as she had been working all summer. Mrs. Rorer and her daughter then drove to Corvallis to visit Mr. and Mrs. Don Smith (Linda Rorer). Mrs. Smith had attended summer school in Corvallis and her husband has worked there. They are moving soon to Portland where Smith will enter Oregon Dental school and Mrs. Smith will continue with her senior year in college through extension work. The Rosers returned to Chiloquin the first of the week to prepare for school. Mrs. Rorer is a member of the local grade school faculty, and Lorna will enter her freshman year at Oregon State college in Corvallis.

Word was received last week-end that Rev. L. J. Buck of Gladstone, former minister at the Chiloquin and Port Klamath Methodist churches, had fallen from a scaffold while doing some painting, and had received a serious injury to his foot. He went into surgery on Monday morning and will be at St. Vincent's hospital in Portland for approximately three weeks. His daughter and son-in-law, Mr. and Mrs. Forest Freid, drove north on Saturday evening to be with Mrs. Buck. Freid planned to return on Monday evening but his wife will stay for several days.

Little Mariene Norris, daughter of Mr. and Mrs. Leonard Norris, celebrated her fifth birthday on Friday by going with her family to Eugene to get her older sister, Carmelita Garcia, who has been hospitalized with polio all summer. Carmelita will not be able to begin her freshman year in high school, at least at the first of the year, but is getting along well.

Mr. and Mrs. Kenneth Roberts were hosts on Saturday night to Mr. and Mrs. Roy Gienker, Norma Lee, Bonnie and to Rose Marie Floyd of Klamath Agency. The group drove to Klamath Falls to attend a movie and later visited the Roberts' new home at 247 Hillside before returning to Chiloquin. The Roberts plan to complete their move to Klamath Falls this week.

Arthur P. Blockinger and his daughter, Sally, left on Sunday for a business trip to the San Francisco district. Sally will come home with her father but will return to the University of California by September 11. She will be a sophomore in pre-medicine.

A machine that can crush a locomotive by applying up to 5,000,000 pounds of pressure is used by the U. S. navy to test aircraft parts.

A small gas turbine has been developed, suitable for use in future motor vehicles. Weighing only 150 pounds, it produces up to 200 horsepower.

HOOSH

Wash Tubbs
SARA, ARE YOU CRYING? I'M SURE JAN DON'T MEAN WHAT SHE SAID!
IT'S NOT THAT, SO MUCH, I WELL YOU SEE, WHEN NIGHT COMES I GET SO HOMESICK FOR MY LITTLE BOY!
I LONG TO FEEL HIS TINY ARMS ABOUT MY NECK— TO TUCK HIM IN HIS LITTLE BED! GIG, PLEASE—DO A FAVOR FOR ME!
SAR, HONEY—IT'S CATY'S BEDTIME, AND SARA WANTS TO TUCK HER. I WANTA COME ALONG? I'LL BRING YOU BOTH RIGHT BACK!
NO, THANKS, OIG. I'D BE IN SARA'S WAY!

Boots and Her Buddies
WELL, OLD CHAP, I CAN'T TELL YOU HOW I'M GOING TO MISS YOU!
DARNEY MISSES YOU TOO!
GOODBYE, DAVID!
G'BYE, TUBBY!
OH-H, THERE'S CLARA AN' DUO!
SILVESTER REMINGTON U. M-BOGLE III, YOU'RE A BLATHERING OLD FOOL!
G'BYE!

Freckles and His Friends
ALL OUR VERY PLEASANT HOLIDAY COMES TO AN END! TODAY WE SMASH CAMP!
YOU MEAN BREAK CAMP, LIVERMORE!
SMASH IT, FOR ALL I CARE!
BUT BEFORE WE DEPART FOR OUR RESPECTIVE DOMICILES, I SHALL—
DON'T TELL US! WE KNOW!
YEAH, GO FISHING ONCE MORE!
I SUPPOSE IT'S JUST THE LAW OF REPRISAL CATCHING UP WITH ME! I USED TO WAIT ON ME HAND AND FOOT! I FEEL A LOT BETTER!
THAT SURE MAKES ME FEEL A LOT BETTER!

Little Orphan Annie
COFFEE! RAH-HH—THAT'S MY FIFTH CUP—OH, HOWE, MY CHILD, AND I'LL FEEL LIKE A NEW MAN—
THERE'S SUGAR, AN' COGNAC, IF YOU WANT IT, DOC—
ALL THESE GROCERIES—MEAT—EGGS—COFFEE—A DESSERT—PENNY—VET ROCKY TELLS ME THIS DOOR WAGON IS NOTHING TO YOU—
I'D HAVO' SWORN THAT IF HER OLD SARGE HAVO' BEEN HERE, I'D HAVO' DROWNE'D—
HAAA—YES—AND IF IT HAVO' BEEN FOR YOUR PROMPT ACTION IN GETTING HELD FOR HER, SHE'D HAVO' DIED—
OH, WELL—LET'S LOOK OVER FOR A CHANGE, AND BE CAREFUL—

"Activated" Shell Premium is the most powerful gasoline your car can use!

YES, many of today's engines have been stepped-up... they call for more powerful gasoline! Now Shell gives you the most powerful gasoline your car can use—Shell Premium—it's "activated." No other fuel can top its power in your car!

This is made possible by Shell's own, specially produced power components and by Shell's own blending methods!

Actually, Shell splits molecules to get more power for today's more powerful engines. So you get a gasoline that's "activated": 3 ways!

Activation makes the difference

Shell splits molecules: Shell scientists take the finest available crude—activate the molecules by splitting them and rearranging the atoms according to Shell's formula for a perfectly balanced gasoline. The result—Shell Premium, the most powerful gasoline your car can use!

"Service is my business"

- Activated for knockless power!**
Pulling hard in low gear or traveling at full throttle, Shell Premium delivers full, quiet power!
- Activated for fast "getaway."**
Shell Premium delivers the extra power you can feel—no "balking," no "stuttering"—you go!
- Activated for full mileage.**
Shell engineers "balance" Shell Premium so that every drop of fuel goes to work for you!
