

Labor Day Fun Ends Summer Time

Well, it is time now for a reminiscence of summer and for a glow of anticipation for the beginning of fall and school. And, speaking of eager school youngsters—freshmen started gathering for their orientation program a full hour and 15 minutes early for their first day. What spirit!

However, with the Labor Day week-end upon us, there is still time for a few festivities before classes start for the youngsters and routine work and club meetings call the old folks back.

Plans for this week-end seem to be mostly on the same old theme—a week-end at the lake. Klamath residents are heading as usual to their haunts at Lake o' the Woods, Diamond lake, and Union creek.

However, the women affiliates to the Klamath county Sheriff's posse are gathering their liniment in preparation for the return of their men from the Lakeview roundup. The group left Wednesday for a three-day ride to Lakeview. The roundup will be held Sunday and Monday, and a number of Klamath people will be heading there for the ropin' and the ridin'.

Mr. and Mrs. M. P. Mickler left Friday for their home in Kissimmee, Florida after visiting here with Mrs. George H. Merryman Sr. The Micklers lived here 36 years ago and this visit was their first back to Klamath in that many years.

The Micklers were early residents here. They ranched on the old Crystal Springs property, and Mr. Mickler was affiliated with the old Klamath Development company.

On their return to Florida they plan to travel via Crater lake, Vancouver and Victoria, B. C. to Kissimmee where Mr. Mickler owns a mill and box factory.

The W. A. Serrus are leaving the first part of October for a winter in Palm Springs. They have been wintering there for several years, but this year they will go to their own home, which they purchased in May.

Leaving with them will be their daughter, Mary Alice Ray and her young sons, Bill and Tommy. They will return in the spring.

Visiting here at present are Mrs. Morris Garrett (Nellie Gardner) and her sister, Mrs. Frank Wood (Margie Gardner) who are visiting with their parents, Mr. and Mrs. John Gardner.

Mrs. Garrett plans to remain until the middle of October when she will return to her home in Cincinnati, however, Mrs. Wood will leave next week for her home in Redding. With her are her two children, Valerie and Frank.

Old college friends of Mr. and Mrs. Harold Teale visited here with them recently. Major and Mrs. John Bagley with their son and Mrs. Bagley's mother, Mrs. Cora Reed, stopped by for a few days. The Bagleys live at Ft. Clayton in the Panama Canal Zone.

Visiting with them now are Mrs. William Jensen, Mrs. Teale's sister, and her friend, June Hanson. The two are en route to their homes after a Texas trip.

Off for a cruise on Puget Sound over Labor Day week-end are Jim Shaw and Bill Burness. The two plan to take a four-day cruise on the yacht of Bill's aunt and uncle, Mr. and Mrs. T. A. Strack.

One of the old marine barracks crew was here recently visiting several Klamath families. The visitor was Graham Gilmore Jr., and his family, Graham, who was formerly chaplain at the barracks, is now a fourth year medical student at the University of Oregon medical school. The family visited here with the Phil Hitchcocks and Rev. and Mrs. David Barnett.

Among the back to school crowd is Nancy Eichendorf, who left with her mother recently for Portland where she will enter her junior year in Girls Polytechnic there.

Guests of the Elton Thompsons recently have been Clara Homyer of Corvallis, Mrs. Thompson's sister, and Mr. Thompson's brother and sister-in-law, Mr. and Mrs. Gordon Thompson and son, Allen, from Hollywood.

Recent visitors here were Mr. and Mrs. Robert Hardy of Ashland who journeyed over to attend the Rotary Junior Livestock show. Hardy is the president of the Rotary club in Ashland. While here they visited briefly with Mr. and Mrs. Ted Durnent. Mrs. Hardy is the former Alicia Applegate. She is the niece of Mrs. W. O. Smith.

A note of interest to the club women in Klamath Falls is that the Social Calendar giving news of club meetings will begin again next Saturday. The calendar is usually discontinued during the summer months since most clubs are inactive during the vacation time.

BIDDING GOODBYE to friends in Klamath Falls are Mr. and Mrs. E. C. Gordon, who will leave the city for Grass Valley, California, in a few days. The Gordons will operate the Bret Harte hotel in that city. One of the main reasons they hate to leave is their small grandson, Eddie, pictured with them. Eddie is the son of Suburban Fire Chief Buster Gordon and his wife.
