Wheat Gains New Strength

CHICAGO, Sept. 13 (AP)—Wheat was independently strong at the board of trade today. Reports that the government had increased its buying price 2 to 3 cents over yesterday's basis for grain f.o.b. Philadelphia led to buying.

Shipping houses led the buying in December wheat, while elevator houses with cash interests also were on the buying side. The shorts got in to cover after prices advanced.

At the finish wheat was ⅝ to 1¾ higher than yesterday's close, September $2.08⅝-½. Corn was ⅝ higher to 1 cent lower, September $1.27¾-⅝. Oats were ¼ higher to ⅛ lower, September 69⅛. Rye was ⅝ to 1¼ lower, September $1.44¼. Soybeans were 1¼ to 2¼ lower, November $2.27-2.26½. Lard was unchanged to 10 cents a hundredweight lower, September $12.10.

Steel Truce Hikes Stocks

NEW YORK, Sept. 13 (AP) — A buying wave in the stock market was Wall Street's response today to peace in the steel industry.

Prices advanced from fractions to more than a point throughout the list with steel shares in the lead on the movement.

The volume of trading was at the rate of 1,600,000 shares for the entire session, one of the best days in recent months. Steels were the most active major group.

The lead established by steels was followed by oils, rails, motors and chemicals. Gold shares turned down slightly. Proposals made in Washington and elsewhere for raising the price of gold from the present level of $35 a fine ounce have been received with marked coolness.

More active issues and those with the best gains included U. S. Steel, Bethlehem, Southern Pacific, Standard Oil (N. J.), Kennecott Copper, Allied Chemical, American Woolen, General Motors, Chrysler and Philco Radio.

Kiwanians To Build Childs' Restroom

A $1000 building permit was issued last night to the Kiwanis club for the construction of a children's restroom on the Kiwanis park. Building will start in several weeks by Pinniger and Watkins Construction company.

The site for the restroom is the northeast end of the park. The structure will be built of pumice tile and will be approximately 20 by 50 feet. Aside from the restrooms an open shelter will be built out on either side and a sand box will be placed under the eaves.

Shirley May Will Try It Again

NEW YORK, Sept. 13 (AP)—Shirley May France said today she will try again next summer to swim the English channel—and "I'm going to make it."

The 17-year-old Somerset, Mass., high school girl, who was pulled from the channel just short of her goal a week ago, arrived at La Guardia field from London shortly after midnight.

Commenting on her unsuccessful swim, she said, "The tides didn't bother me. It was the coldness of the water."

Need a Job? Money?

This announcement is published in the interest of persons needing money and employment. Those of you not in need of such should refer this notice to other persons whom it will benefit.

From highly important data obtained from the U. S. Dep't of Labor; Dep't of Agriculture; Dep't of the Interior and Commerce; Bureau of Home Economics; Veteran's Bureau; U. S. Civil Service and other reliable sources, an informative "handbook-manual" has been compiled and published primarily for persons looking for work. This book contains 1000 money-making ideas, plans and suggestions for either full or spare-time employment. They are true records of what thousands of people like yourself are actually doing at the present time to earn a living.

Exhaustive and painstaking research was necessary to get the hundreds of sure-fire money-making ideas comprising this book. Every available source was tapped to bring you this gold-mine of condensed information to help you in obtaining security.

—If you are a man or woman who wants to add to the family income by spare-time work at home.

—If you are a middle-aged man or woman dependent on others for a living.

—If you find enforced leisure irksome, or if you are a recent college graduate seeking an opportunity.

—If you are a veteran wishing to set yourself up in business with a government loan, or want a U. S. Civil Service life-time job thru the "Veteran's Preferance Act."

—If you are a student wondering how to earn your year's tuition, or if you are a boy or girl desirous of turning your spare time to advantage — WHOEVER YOU ARE, if you have exhausted your resources and must earn some money, the many hundreds of "money-making ideas and references" outlined in this remarkable book will prove a Godsend to you — A sound and helpful guide. It tells you plainly how it's done. Every family needs one—It can pay for itself thousands of times. You can't afford to be without this book —"SO ACT NOW"—"DON'T HESITATE." Order yours TODAY. Send $2.00 and your copy will be rushed postpaid. If you are not entirely satisfied just return the book within 7 days and your money will be cheerfully refunded. What could be more fair?
