WHEAT FUTURES CLIMB

CHICAGO, Sept. 16 (AP)—Wheat futures climbed more than a cent a bushel to new seasonal highs today before profit-taking cut into the upturn.

Early buying by export interests indicated the government again was in the cash market, traders said, following heavy purchases the first four days in the week. December, May and July wheat futures hit new seasonal peaks.

Wheat closed $\frac{1}{4}$ to $\frac{1}{2}$ higher than the previous finish. September \$2.10- $\frac{1}{4}$, corn was $\frac{1}{4}$ up to $\frac{1}{2}$ down, September \$1.25- $\frac{1}{4}$, oats were $\frac{1}{4}$ higher to $\frac{1}{2}$ lower, September 68 $\frac{1}{2}$, rye was $\frac{1}{4}$ off to $\frac{1}{2}$ up, September \$1.46, soybeans were 1 to 2 $\frac{1}{2}$ cents higher, November \$2.30- $\frac{1}{4}$, and land was 8 cents a hundred pounds higher to 3 cents lower, September \$12.07.

Strike Clouds Choke Stocks

NEW YORK, Sept. 16 (AP)—The stock market poked its way forward today through a tangle of strike threats in two basic industries—steel and soft coal.

Gains were fractional for the most part but they were well distributed and a number of issues climbed to new tops for the year.

Railway shares were well in front of the move.

Turnover passed the 1,000,000 share mark for the fifth session in a week.

Some brokers suggested that the market's stability yesterday, when the labor news in the steel and coal industries became more and more foreboding, generated new buying interest.

Highs for the year were established, among others, by Houston O. I. Sunshine Mining, Trans-America, and International Paper.

Also up were U. S. Steel, Bethlehem Steel, Chrysler, Montgomery Ward, Radio Corp., International Telephone, General Electric, American Woolen, Santa Fe and Transcontinental and Western Air.
