Drew's New Agency For Tailors

Drew's Manstore has been appointed local outlet for Hart Schaffner and Marx men's clothing. It was announced by Greer Dress today.

"We chose to offer this famous brand instead of less well-known clothes," Drew said, "because Hart Schaffner & Marx was first in its industry to adopt the policy of making nothing but all-wool clothing and was the actual inventor of 'fit' way back in 1906, and today is the recognized leader in the field."

Drew's first shipment exemplifying new styles and fabrics for fall and winter has just been received in the new line.

CARD OF THANKS

We wish to extend our heartfelt thanks and appreciation for the kindness extended our wife and mother during her illness and for the beautiful floral offerings and messages of sympathy tendered us during our bereavement in the death of our wife and mother, Mary Linville.
