

Scouts Seek Valley Forge Trip Honor

"On to Valley Forge to strengthen the arm of liberty." That is the cry of Boy Scouts the nation over in anticipation of the national Scout Jamboree to be held on the battle-grounds June 30 to July 6, 1950.

Uppermost in the mind of each Scout troop and explorer unit member in the country is the thought that he might be the one representing his group at the Jamboree. And similarly members of some 90 or 60 Klamath county Scouting units are looking forward to the chance of making the trip to Valley Forge.

Standards for selection of local representatives will be established by a recently formed Modoc Jamboree committee headed by Chet Hamaker of Klamath Falls. Some norms for selection are that the boy chosen must have been a first class Scout by March 1, 1950, have reached his 12th birthday by January 1, and have a minimum of five days and night Scout camping experience with a troop or patrol.

Trip Cost
It has been estimated that \$300 will cover the expenses for the trip to and from the Jamboree and for several side tours to sites of national monuments.

Representatives from the north-western states will travel on special trains formed in Salem, Eugene, Klamath Falls and Medford. The Scouts will travel via tourist sleeper both ways. While at the Jamboree they will stay at a huge encampment on the battle-grounds.

Funds for the trip must be raised by each unit by means of Scout shows, plays, carnivals, or even scrap drives. However, tickets and advertising for Jamboree fund raising events cannot be displayed or sold in public places.

Fair Selections
The choice of each unit's representative will be done in a completely democratic manner. Four or five boys will be selected by the unit members themselves. Then a committee of unit leaders will make the final decision.

The 1950 Jamboree is being held in conjunction with the 40th celebration of the Boy Scout movement inauguration in America. It will be the second such affair to be held in the 40 years.

First Jamboree
The first Jamboree was held in 1910 and was attended by 25,000 Scouts. A similar national gathering

was slated for 1935, but was called off because of a polio epidemic which swept the nation. During the war years it was impossible to hold such an affair.

Modoc committee members are presently sponsoring a theme contest for selection of a slogan representative of the council's contingent.

Purpose of the slogan is to take back to the Jamboree a promotional stunt featuring some aspect of the Modoc area. Prizes are being offered for the best suggestion of a slogan.

Nash Reduces Car Prices

DETROIT, Sept. 22 (AP)—Nash Motors today announced price reductions ranging from \$73 to \$140.

The reductions apply to the company's new 1950 model cars which go on display in dealer showrooms tomorrow.

The cuts are possible, George W. Mason, president and board chairman of Nash-Kelvinator corporation said, largely because of reduction production costs resulting from freer flow of materials.

Mason said Nash plans to build almost twice as many cars during the remainder of the year as it produced during the same period last year.

In its 1950 line Nash has renamed its "600" model the "Statesman." This model is in the low medium price field. Its Ambassador model sells in the medium price bracket.

Increased Power Asked By KUGN

WASHINGTON, Sept. 22 (AP)—The federal communications commission has been asked by radio station KUGN, Eugene, Ore., for a change of kilocycle facility and power increase.

The station wants to move from 1400 to 990 kilocycles and boost its power from 250 watts to one kilowatt.

You will drive your car with much more confidence if it is properly insured. Call Hans Norland, 6066.
