

Rally Day Meet Held At Chiloquin

CHILOQUIN — A 1:30 dessert served by the hostess, Mrs. Walter Collins, opened the rally day meeting held last Thursday afternoon, September 22, by the Chiloquin home extension unit. A song fest followed the refreshments and then Mrs. Collins, chairman of the unit, called the meeting to order.

Standing committee chairmen were appointed, project leaders chosen and tentative hostesses assigned for each meeting. Twelve youngsters of pre-school age were cared for in

the basement of the Methodist church during the meeting and it was voted to hire Mrs. Marian Baldwin to care for them at each meeting.

The first regular meeting of the year will be on Friday, October 21, at 1:30 o'clock at the home of Mrs. Gerry Wolff. The topic will be Holiday Decorations from Nature, and Mrs. Wolff, Mrs. Frank DiUlio and Mrs. Edouard Prialux will act as project leaders. They attended the training session at the fairgrounds on Tuesday, September 27.

The November 2 meeting will be Streamlining Home Sewing, conducted by the home extension agent, Mary Glenn. Mrs. Joe Mercer was appointed to inquire about sewing machines and to find a suitable meeting place.

Herb cookery, the topic for December, will be under the leadership of Mrs. Walter Zimmerman

and Mrs. Earl Hall. Miss Glenn will again be project leader at the January meeting which will be held at Mrs. Ralph McNutt's home on the topic, Design for the Home. New wall finishes will be discussed by Mrs. Archie Huff and Mrs. Don Ritzell in the February meeting at Mrs. Ritzell's residence. An all day session will be scheduled in March for the topic Broiled Dinners, and Mrs. Cyril Cook and Mrs. George Brautlacht will be leaders with the meeting held at Mrs. Fred Markwardt's home. In April the last regular meeting will be on the subject of Lampshades at the home of Mrs. Forest Freid. Miss Glenn will be leader.

Special project for the year will be the cotton dress workshop with Mrs. Joe Mercer and Mrs. Dwight Kircher as project leaders. Each person who takes this project must attend two preliminary meetings in

January and February in Klamath Falls and three sessions in Chiloquin with the project leaders.

The unit is considering doing a special project on its own, that of recovering davenport.

Committee heads are as follows: membership and hospitality, Mrs. George Brautlacht, publicity, Mrs. Gerry Wolff; finance, Mrs. Cyril Cook; child care, Mrs. Edouard Prialux, Mrs. Forest Freid and Mrs. Earl Hall; scrapbook, Mrs. Fred Markwardt; and Mrs. Wolff, Shuterbug for the unit will be Mrs. Ralph McNutt, who took several pictures of the group attending on Thursday.

The unit plans a white elephant sale combined with a cooked food sale and the project is scheduled for Saturday, October 22. Mrs. Cyril Cook will act as chairman. Members were asked to locate as many white elephants as possible during the

next two weeks so that some time will be available to prepare them for sale.

Members and guests attending on Thursday were as follows: Mrs. Joe Mercer, Mrs. Walter Zimmerman, Mrs. Dwight Kircher, Mrs. Archie Huff, Mrs. Charles Hale, Mrs. Cyril Cook, Mrs. George Brautlacht, Mrs. Ralph McNutt, Mrs. Don Ritzell, Mrs. Fred Markwardt, Mrs. Loyal Heath, Mrs. Forest Freid, Mrs. Edouard Prialux, Mrs. Gerry Wolff, and the hostess, Mrs. Collins.

TRAFFIC DEATH

GIG HARBOR, Sept. 28 (AP) — Alex C. Williams, 27, was killed near here last night when the automobile he was driving collided head-on with another automobile. The six women occupants of the other car were injured, none seriously.

Street Work Season Ends On California

Construction work by the city street department will be halted for the winter months when the California avenue paving job is complete.

City Engineer "Taxi" Thomas stated today he had no plans for street work during the cold weather. At the same time the onslaught of fall and winter weather will bring work of a different type for members of the street department. Thomas said his men will soon

have to contend with leaves covering the streets.

Then, if by chance the coming winter should be similar to last year's, Thomas and his men will be busy keeping the roads clear of snow.

Snow-clearing work will be made much easier this year, by addition of a combination bulldozer - snow plow to the street department's equipment.

The first Continental Congress was called by Massachusetts and Virginia in 1774.
