

Fire Permits Still Needed In Fremont

Fire permits are still required in the Fremont national forest and all hunters must obtain permits before entering the area.

Official notification of any change will be published, the forestry office advised today.

Weather conditions are such that fire danger still exists throughout the area and this week-end's influx of deer hunters is expected to increase the hazard.

Wrong Thinking

Rangers said that some people misinterpreted hunting stories to mean that the forests are clear and no permits are required. This is an error.

The Summer lake rim and Lakeview logging area fire closures will also remain in effect until campfire permits are no longer required. Permits for the Fremont area can be

obtained from room 221, post office building, Klamath Falls.

Rogue River national forest closure will be lifted effective at midnight tonight, Thursday, September 29.

KF Men on Union Committees

VANCOUVER, B. C. — Tim Sullivan, Hal Geiger and Alvin Hillman, all of Klamath Falls, have been placed on strategic committees at the 13th annual IWA-CIO convention in session here.

Geiger and Hillman are members of local 6-12 in Klamath Falls and Sullivan, who is president of district council No. 6, IWA-CIO, is a member of local 6-7 at Bend.

Crew Checks Small Fire Near Keno

A small lightning fire which flared up as a result of this week's storm was located and trailed in early this morning by a Klamath Forest Protective association crew.

The blaze, which covered only an eighth of an acre, was located about three miles northwest of Keno.

Jax Grange Joins Henley In Protest

MEDFORD, Sept. 29 (P)—Another grange added its name today to those protesting against State Grangemaster Morion Tompkins. (The protest originated with Henley grange action.)

The Jacksonville grange No. 700 condemned the proposed purge of 22 state legislators, and joined with the Josephine county grange in nominating Victor Boehl, Grants Pass, as state grangemaster.

The grangers declared that the state convention's proposal to purge legislators who voted for a bill limiting the initiative and referendum was "contrary to the principles of the grange and promoted pressure politics."

Ray Sanders, placed on the Braves inactive list with a broken wrist, hit 329 for Hartford, Conn., last season.

Forgot Several Little Things

BRISBANE (P)—One-legged John Edmund Page, 23, drove a truck through Brisbane one night. He says he can't remember the drive. But the prosecutor in the police court, jogged Page's memory when he described the drive to the magistrate. The prosecutor got the story from a policeman who chased Page's

truck on a motorcycle. During the chase, Page—

Passed a tram, grazing the front cab. Passed a stationary tram on the wrong side at a speed of between 60 and 70 mph. Ignored a stop order from the pursuing policeman.

Overtook two cars driving side-by-side. Knocked another car off the road. Passed another stationary tram on the wrong side. Hit another car off the road. Struck still another

car and capsize it. Hit the rear of a stationary truck outside the Brisbane Hospital. Forced the stationary truck into a car in front, which was pushed onto the footpath. Was thrown out of his own truck by the jolt. Landed on his head. Was taken to the hospital.

Page pleaded guilty to a charge of dangerous driving. He was fined \$166.

Phones Easy To Get Now

The days of a long waiting list for telephones are past. Charles Seavey, manager of the Klamath office of Pacific Telephone and Telegraph said today.

Generally, a new telephone can

be installed without a waiting period within the city limits. Outside the city bounds, installation, sometimes is more difficult, requiring additional time.

Choice of service is still limited, but the situation is gradually easing off, Seavey said.

Just now there are 10,694 telephones out of the Klamath Falls exchange, a record for this area. All new subscribers are continuing to get five digit numbers beginning with the number "2."
