

GET READY FOR WINTER

- Check all your heating equipment! Furnaces . . . stokers . . . heating stoves.
- Insulate against winter winds! Weatherstripping . . . storm windows, etc.
- Put your roof in tip-top condition! Guard against leaks and drafts.
- Be assured of ample fuel supplies! Order fuel oil and coal now while stocks are complete.

Winter is wonderful . . . when you ready for it! Don't wait until those cold winds start blowing. Now's the time to prepare your home. Check your heating equipment for safety, stock up on fuel oil and coal. Then sit back and relax in snug comfort all winter long.
