

Art Display Scheduled For Educators

Teachers supervisors and other educators gathering here Thursday and Friday for the Southern Oregon Regional conference of Klamath, Lake, Jackson and Josephine counties, will have an opportunity to view the art work of local students.

The seven elementary schools, Fremont junior high and Klamath Union high school art students will have their annual art exhibit in Mills school gym opening Thursday at 9 a.m.

Training Program
The exhibit is being set up as part of the teacher training program for the institute. The review will present not only art work but the extensive art work shop under the chairmanship of Robert Banister city art supervisor.

Margaret McDevitt director of art in the Salem schools, will lead the two-day workshop as guest of the Southern Oregon Art Teachers association. A specialist in the field of elementary and high school crafts, Miss McDevitt will introduce a new phase to the art program.

The exhibit will be open to parents as well as teachers. However, the exhibit will only remain open all day Thursday, Friday and Saturday morning.

Two Directors
Miss McDevitt and Jean Kendall Glazier of the University of Oregon, will share responsibilities of guiding the workshop for high school and junior high art teachers. Both will be honored at a dinner to be held at the Winema Thursday at 7:30 p.m.

A meeting of the Southern Oregon Art Teachers association will be held following dinner with election of officers. All members or those interested in becoming members, are invited. The program for the 1949-50 school year will be planned.

Main Street Building, Month's Top
Construction of the Western Auto store at 11th and Main for \$20,000 was the top building job for September, according to building permit records at the city hall. Contractors are Burkhard and Schorngen.

Other big jobs last month were a new residence for J. W. Sanders at 800 Pacific Terrace, \$15,000, and a new residence for Leslie E. Walker at 2245 Union for \$7,000.

Total value of permits issued for the month was \$68,043.

Comparisons
A comparative table of this year and last year, which far overhauls 1949 in building, appears below:

	1949	1948
January	\$6,450	\$110,487
February	17,340	92,968
March	38,574	118,024
April	64,615	125,115
May	48,685	239,646
June	169,478	284,282
July	42,330	72,818
August	48,522	107,523
September	68,043	74,194
Totals	\$504,037	\$1,223,057

Willamette City Man Killed
EUGENE, Oct. 5 (AP)—A Willamette City man was killed shortly before 6 p.m. Tuesday while crossing the street from a grocery store to his parked car. Coroner Phil Bartholomew identified the victim as Walter A. Graham, age 48, mechanic.

St. police said that Graham had started to cross highway 58, and a light rain and fog made visibility poor so that a car driven by Daniel Eugene Kelley, 28, of Lowell was upon him before the driver could stop. State police said no arrests were made.

Rehabilitation Funds Split
SALEM, Oct. 5 (AP)—The state veterans affairs department decided today how to split up \$16,764 for rehabilitation during the next year.

The money will be divided among three veterans organizations. The American Legion and Veterans of Foreign Wars will each get 33 per cent, and the Disabled American Veterans will be given 24 per cent of the money.

Thin Blood, Ruts, Hunters Ads and Cars

By BILL JENKINS
WALLY MYERS, The Herald and News slot man, is having his troubles today. Wally came up here from Florida and today's drop in temperature has him on the shivery side already. So that means that we'll have to start the yearly "drudgery" of turning on the heat.

If we turn it on now the weather man will send us three weeks of hot weather (I hope) and if we don't turn it on there will be a foot of ice over the basin tomorrow. The only consolation is that everyone else is in the same boat.

KLAMATH FALLS is a town that believes in staying in a rut. It would be hard to pick a single month out of the year when there isn't at least a little street work going on. The sound of jack hammers may not be the most restful in the world but it is certainly a constant one here.

SPEAKING of street work. The way here at the corners of Main and Esplanade may pose some questions before it is all over. That dog leg curve in Main requires those making a left hand turn to cut directly across the street.

In doing this some cars stay on the right till they pass the stop button and then cut toward the left. Others weave over into the outside lane of outbound traffic on the highway. Still others start to the left of the button, hesitate and then swing to the right. Some go around in a haymaker curve that crosses all lanes. Sitting here and watching it from my window I see that it is seldom that two cars in a row make the turn the same way. Probably the traffic light will clear it all up.

THIS weather may make Wally unhappy (thin blood, he says) but it seems to suit the deer hunters right down to the ground. From overhears conversations the past couple of days I'd say there were plenty of happy hunters already. General opinion seems to be that there are a lot of deer this year and plenty of gunners have hit it rich. There are also plenty of nimrods who can tell at great length how many does there are in the woods.

ADVERTISING is a great thing, but there are still some catches in it. Why is it, for instance, that people seem to be anxious to put signs in or on windows and spread placards all over town to advertise a certain event and then lose their enthusiasm when it comes to taking them down? Political posters are certainly at the top of this list, but there are plenty of others who leave their signs in the public view too long.

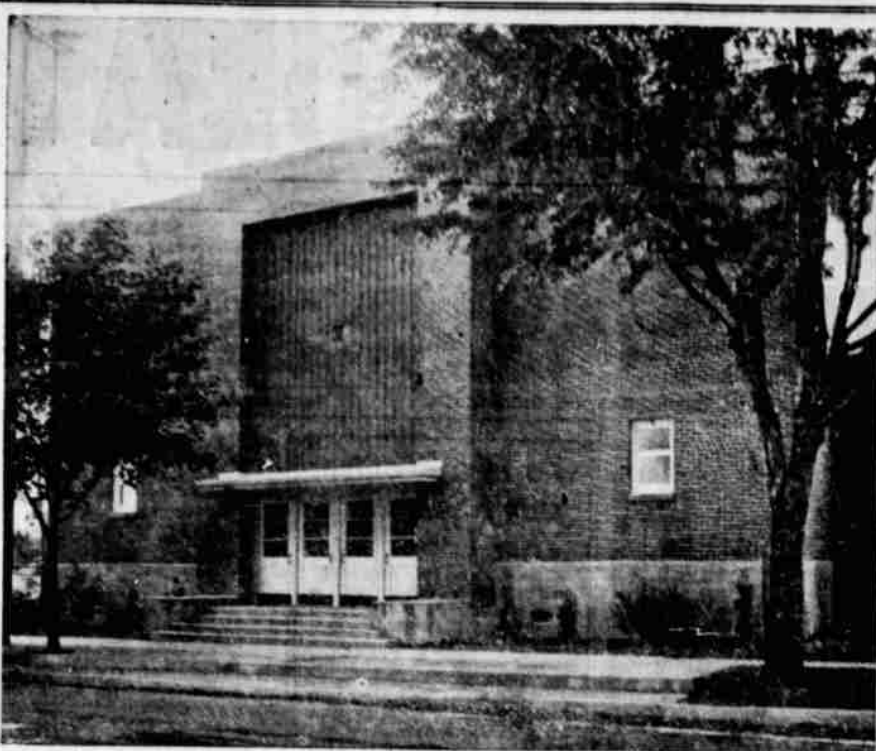

FOREIGN cars seem to gain on the highways as time goes on. Noticed another one this morning parked on Main. Just about big enough for a small midget, poorly ventilated and probably cranky to handle and maintain. But the proud owner undoubtedly pungled up the price of one of the larger US cars to buy it. Seems like glamour is not only always with us but goes a long way.

CHILD suffers gunshot wound
Four-year-old Shirley Ann Watson was accidentally shot in the left leg at 6 o'clock last night, when her brother Doyle, 13, unloaded a .22 caliber special rifle at the family home in Pelican City.

The child was moved to Klamath Valley hospital for medical care. The bullet had penetrated the calf and fractured the leg bone. It was learned, Shirley Ann is the daughter of Mrs. Lola Watson, 402 McLean, Pelican City.

Doyle reported the accident to city police immediately after his little sister was admitted to the hospital. Condition of the child was reported good this morning.

GREEKS MOVE
ATHENS, Oct. 5 (AP)—Reliable sources reported today that the Greek guerrilla headquarters has been moved from Albania to Bulgaria and that 8000 guerrillas are being transferred between the two countries by sea.

THE NEWLY CONSTRUCTED Mills school auditorium, built during the past year at a cost of \$150,000, will be formally dedicated tonight at 8 o'clock with a program in which school people, interested persons and those directly connected with construction will participate. The public is invited to attend. The auditorium will be used this week when some 1000 teachers will convene for general sessions Thursday and Friday at the Southern Oregon regional conference.

Play by Play

(Continued from Page 1)

that Johnson caught near the third base field boxes. Robinson rapped a one bouncer to Johnson who threw across to Henrich for an easy out. Mapes ran almost behind second base to make a nice catch of Hermanski's looping fly.

FOURTH INNING YANKEES
Reese gobbled up Berra's slow bouncer near second base and threw him out at first. DiMaggio raised a high pop to Robinson who made the catch without hardly moving from his tracks. Lindell hit Newcombe's first pitch to Snider in dead center.

FIFTH INNING, DODGERS
Furillo was safe at first when his routine roller skipped through Coleman's legs into right field for an error. Hodges dropped a sacrifice bunt down the third base line and was out. Johnson to Henrich. Reynolds whipped two strikes over on Campanella, then walked him with the next four pitches. Newcombe went down swinging, missing a fast ball over the heart of the plate. Reese bounced to Johnson, who stepped on third, forcing Furillo for the third out.

SIXTH INNING DODGERS
Jorgensen drilled a low line foul into the right field stands that narrowly missed being a home run, then coaxed four straight called balls for a walk. Snider attempting to bunt, missed Reynolds' first pitch, then swung at and missed the next two offerings to go down swinging for the second time. DiMaggio made a nice over the shoulder running catch of Robinson's sizzling liner to left-center and Jorgensen, who had rounded second, barely returned to first, coming in just ahead of Rizzuto's relay. Reynolds needed only three pitches to strike out Hermanski who went down swinging.

SEVENTH INNING DODGERS
Furillo popped up Reynolds' first pitch to Henrich about 15 feet off first base. Hodges hooked a third strike, a blazing fast ball just above his knees. Reynolds hooked a curve over the outside corner to make the napping Campanella the sixth strikeout victim.

EIGHTH INNING DODGERS
Newcombe watched a slow curve break over the outside corner for a third strike. Reese whistled a single past Reynolds into center field. It was only the second hit off Reynolds. Reese stole second, sliding in safely under Berra's high throw. Jorgensen swung and missed a high fast pitch for the third strike. Snider struck out for the third time missing a fast pitch down the middle. It was Reynolds' ninth strikeout to match Newcombe's total.

NINTH INNING YANKEES
Mapes struck out, missing a changer for the third strike. Coleman slammed an outside pitch to the right field corner for a two base hit. Reynolds was called out on strike. Newcombe caught him looking at a sharp breaking curve. Rizzuto filed to Snider who moved back a half dozen steps to make the catch.

TENTH INNING YANKEES
Robinson rolled out to Rizzuto who threw to first. Hermanski swung at Reynolds' first pitch and popped to Rizzuto on the edge

of the infield grass. Furillo sent a high fly to Mapes in short right. No runs, no hits, no errors, none left.

EIGHTH INNING DODGERS
Newcombe watched a slow curve break over the outside corner for a third strike. Reese whistled a single past Reynolds into center field. It was only the second hit off Reynolds. Reese stole second, sliding in safely under Berra's high throw. Jorgensen swung and missed a high fast pitch for the third strike. Snider struck out for the third time missing a fast pitch down the middle. It was Reynolds' ninth strikeout to match Newcombe's total.

of the infield grass. Furillo sent a high fly to Mapes in short right. No runs, no hits, no errors, none left.

Wreck Victim Improved
Klamath Valley hospital reported today that Bert Estrada who was seriously injured last week in an accident at Crater lake is in fair condition and showing slight improvement.

FISHERMEN STRIKE
SEATTLE, Oct. 5 (AP)—Commercial fishermen of Puget Sound struck early today in a dispute over fall season minimum prices for salmon.

POLO DEATH
PORTLAND, Oct. 5 (AP)—A five-year-old girl today was added to the list of this year's poliomyelitis victims in Portland. The health bureau said it boosted the total to 38 cases.

Prevention Of Fires Week Called

In keeping with the proclamation issued by the president of the United States, Mayor Robert A. Thompson today proclaimed the week of October 9 to 14 as Fire Prevention Week.

In issuing the proclamation, Mayor Thompson said, "I most urgently urge that all civic organizations, business associations, school authorities and all other bodies interested in public welfare to assist in furthering this important occasion."

I sincerely hope that the people of our city will actively take part in the observance of Fire Prevention Week, and that they will remove rubbish and other hazards about their homes and places of business. Let us make our city a safer and better place in which to enjoy life.

Danger Points
The mayor stressed that defective wiring, bad flues, rubbish and individual carelessness are the most frequent causes of fire.

It was emphasized that fire loss in the United States each year not only destroys hundreds of millions of dollars worth of property, but thousands of human lives as well. "Proper carefulness with fire hazards would greatly reduce such a regrettable loss of life and property, and every effort should be made to relieve the people of this huge toll," the mayor said.

Newspaperboys Skate Tonight

A big time is in store tonight when The Herald and News will sponsor a skating party for its "little businessmen", carriers and sellers of the newspaper.

The affair is the social highlight of National Newspaperboy week and will be held from 7:30 to 10:30 p.m. at Skateland roller rink. The young employees are invited to bring a gal friend or a substitute.

25 Joined 25 Split

September marriage and license and divorce complaints ran a dead heat with 25 of each registered in the county clerk's office.

Wives filed 19 of the 25 complaints. Twenty-one charged cruel and inhuman treatment, two drunkenness and two desertion.

A total of 30 decrees were granted, 22 to wives, eight to husbands.

Fort Klamath

Tuesday visitors at the home of Mrs. Earl Jackson were Mr. and Mrs. Dick Sperry, formerly of Fort Klamath and until recently at Warm Springs, Ore., where Sperry had been employed for some time by the Warm Springs Lumber company. He expects to go to work logging in the vicinity.

Mrs. Edna Orth and her mother, Mrs. Viola Leever, returned last week from a two weeks' vacation trip to the coast, where they visited relatives at Bandon. This month they are planning another trip, when they will visit Mrs. Orth's son and family, Mr. and Mrs. James Orth and children at Sacramento.

Gene Page is now employed by the Union Oil company in Klamath Falls and is working as driver of a gasoline delivery truck for the company. His father, Guss Page of the Rainbow garage here, narrowly escaped losing the sight of an eye last week when the wooden handle of a draw bar he was using broke, and the steel pin penetrated his eye.

He is under the care of a Klamath Falls eye specialist. He and his

brother, William Page, own and operate the Rainbow garage.
Mr. and Mrs. Bert Gray made a business trip to Salem and back last week.
Mr. and Mrs. William Zumbun and his brother, Emil Zumbun, have returned from a two weeks' trip during which they visited Glacier and Yellowstone parks, visiting also at different Montana points, and stopping at Spokane, Wash., to visit Mrs. Zumbun's relatives while on the return trip.

Mr. and Mrs. Frank Edwards made a trip last week to Brownsville and Tehama, Ore., where they visited relatives, returning here Thursday evening accompanied by their daughter, Mrs. Kenneth Morris of Tehama, who will be here for an indefinite stay. On the trip they visited at Sweet Home, Ore., with friends, Mr. and Mrs. Tom Vigue, former Fort Klamath residents now operating a restaurant at Sweet Home.

Put parsley (unwashed) in a shallow, wide-mouthed jar with a tightly fitting cover and store in the refrigerator.

OVERWHELMING

is the word Press, Radio and Public are using in praise of

"JOAN OF ARC"

The Reader's Digest says: "The surest way to get better motion pictures—a desire shared by all—is for everyone to patronize the best films. Don't miss Joan of Arc."

"There's grandeur galore and sweeping power in 'Joan of Arc.' Ingrid Bergman makes a superb cinema superba."
—WALTER WINCHELL

"The highspot in the fabulous Bergman career... a glowing performance. Her portrayal is a masterpiece."
—LOOK MAGAZINE

"A film of monumental proportions... Ingrid Bergman reaches and touches the heights."
—HARRY HERSHFELD, Newspaper and Radio Columnist

"Sierra Pictures has fashioned a stupendous film... Pictorially it is one of the most magnificent films ever made... Dramatically, it has moments of tremendous excitement and shock."
—N. Y. TIMES

"Ingrid Bergman's portrayal is one of the most moving performances ever seen... done with dramatic intensity and beauty."
—LADIES' HOME JOURNAL

"Nothing I have seen, or listened to, equals in beauty, in fine acting, or in emotional response of the audience, to 'Joan of Arc.'"
—GEORGE SOKOLSKY, Noted Columnist

"I give the Cosmopolitan Citation for the Best Production of the Month to 'Joan of Arc.'"
—LOUELLA PARSONS, COSMOPOLITAN

"'Joan of Arc' is the most thrilling and exciting motion picture ever filmed."
—EDWIN C. HILL, Celebrated Radio Commentator

"Hollywood's greatest... more than a masterpiece—it is an epic that will spark every emotion... the picture is flawless, Ingrid Bergman's performance exquisite... this is something to have lived to see."
—JOHN B. KENNEDY, Noted Radio Commentator
