

**STRAIGHT ARROW** has nothing on Carl Rajnus of Malin as this picture proves. Carl bagged this four-point buck in the Swan Lake district on the opening day of deer season with an arrow. The 19-year-old youth nailed the deer at a distance of 30 yards as the animal was going from him. He picked up the deer, dead, 80 yards from the spot where he was hit. Carl makes his own bows and arrows in his home workshop. It was the first deer for Carl, who is now planning to go after an elk with the same equipment.

**Mother, Children Live in Park**

**BIRMINGHAM, Eng. (AP)—**For all most seven months 41-year-old Mrs. Mary Smith and her three small children lived like rabbits in Birmingham park. They slept under bushes and in tool sheds, tied themselves in the washrooms, ate when something came their way. A magistrate could hardly believe the evidence and police said they couldn't understand how they managed it so long without detection. Mrs. Smith, deserted by her husband and homeless, was told last March to place the children in an institution. She couldn't bear to part with them, and took to the parks.

**Raw Meat Keeps Cat Going**

**SANTA BARBARA, Calif. (AP)—**In your cat listless, grouchy, bored with life? If so, you might try on your kitty the diet Daniel A. Sattler feeds his pet. Sattler's cat joined his family as a kitten. That was 20 years ago. And she has amazed the family by remaining frisky despite her old age. The venerable feline, a centenarian by human standards, "never comes into the house, Sattler says. "She's restless, almost wild. Spends most of her time roaming the neighborhood looking for excitement." Sattler thinks maybe the rugged diet she gets might explain her spryness and longevity. He feeds her regularly: raw beef, raw fish, raw liver, cottage cheese and occasionally floats an egg or two in her milk bowl.

**HOUSING IMPROVEMENT**

**URBANA, Ill. (AP)—**The housing situation at the University of Illinois has improved to the point where the campus ice skating rink once more is being used for skating. The building had been used as a dormitory for three years.

**Lady's Stomach Was Like Gas Factory; Meals Turned to Gas**

"Your medicine can't be beat," says this Meiford lady. "Acid and gas in my stomach made me suffer awfully, and my husband was terribly constipated. We use a bottle of it a week, and it can't be beat." Folks who know the misery of gas pressure and feel like their stomachs will burst after every meal and who often hate to eat because of the misery that follows often find that irregular bowel action is the cause, and KAL-O-DEK taken shortly before meals mixes with the food and helps to eliminate poisonous waste matter through its laxative action. KAL-O-DEK is an herbal formula containing medicinal juices from 3 Great Herbs. These herbs cleanse bowels, clear gas from stomach, act on sluggish intestines and kidneys. Miserable people soon feel different. All you do is go on suffering. Get KAL-O-DEK today at all drug stores. Adv.

**HERE'S ALL YOU DO!**  
 In just a few seconds you can prove **PHILIP MORRIS** IS DEFINITELY LESS IRRITATING than the brand you're now smoking!

**1... light up a PHILIP MORRIS**  
 THEN, just take a puff—DON'T INHALE—and s-l-o-w-l-y let the smoke come through your nose. Easy, isn't it? And NOW...

**2... light up your present brand**  
 Do exactly the same thing—DON'T INHALE. Notice that bite, that sting? Quite a difference from PHILIP MORRIS!  
 NOW YOU KNOW WHY YOU SHOULD BE SMOKING PHILIP MORRIS!

Everybody talks about PLEASURE, but only ONE cigarette has really done something about it. That cigarette is PHILIP MORRIS! Remember: less irritation means more pleasure. And PHILIP MORRIS is the ONE cigarette proved definitely less irritating, definitely milder, than any other leading brand. NO OTHER CIGARETTE CAN MAKE THAT STATEMENT.
