

Morris Scans Problems Of New World

A full house greeted Dean Victor P. Morris, head of the school of business administration at the University of Oregon, when he spoke last night at the Willard before membership of the Oregon Education association, here for the Southern Oregon Regional conference.

Dean Morris spoke on, "Our Economic Outlook in Regard to the Current Outlook of the World." A student of economics and an excellent speaker as well, the educator remarked:

"There are some problems ahead in creating a more orderly world, not the same old world, but a fast changing world, which can never go back to where it was but must naturally change each day.

Russ Problem
"One of these problems is how to live with Russia. There is still hope for this problem as long as Russia and America both go to council meetings and both discuss the problem.

"The world must be lead in a process of economic recovery; however, this recovery must not be just a materialistic one, but must go beyond that. It is not enough to furnish food and materials to needy countries. They must be furnished means of putting their production on a sound basis."

Dean Morris discussed the devaluation of the British pound and observed it was not a real solution in any way.

McLain, Emcee
Charles McLain, Klamath Union high school faculty member, was master of ceremonies at the banquet and introduced the four superintendents of the counties attending the regional conference here.

Other guests of honor were Mar-

tha Shull, state OEA president; Cecil Probst, executive secretary of OEA; Dr. Rex Putnam, state superintendent of public instruction, and Dr. Paul Jacobson, dean of the school of education, University of Oregon.

There were musical selections to complete the evening's program. Friday morning Velma Tenney presided over a breakfast for OEA officers and committee chairmen at the Winema hotel.

C.C. Crowson Dies After Long Illness

Word has been received of the death of C. C. Crowson, 55, of Klamath Falls, at the Southern Pacific hospital in San Francisco Thursday morning.

Mr. Crowson died following a lengthy illness and had been in the San Francisco hospital for a month. He was a carman for SP and made his home at 2243 "Arrow. His wife, Kate, was in the bay city with him.

Final rites to be held in this city will be announced Saturday.

Survivors
Survivors, in addition to his wife are one daughter, Clarice Myers of Klamath, Calif.; his mother, Mrs. Frank Crowson of Ashland; one brother, Max, of Ashland; four sisters, Beale Carey of San Francisco, Ilma Carter of Ashland, Elsie Bussey of Weed, and Mrs. H. R. Stafford of Springfield, two grandchildren and nieces and nephews.

THAT SHE BLOWS
OCEAN CITY, Wash., Oct. 7 (AP)—Excitement ran high at the Union Oil company's test well here last night as surface equipment developed a leak, permitting gassy mud to blow wildly into the air.

The blow lasted for about an hour before repairs could be made permitting normal testing operations to resume.

Lakeview Says Child's Care, Parents' Task

Baker Pattern
The ordinance will be patterned after Ordinance No. 2243 of Baker, Ore., which was adopted there August 11, 1947. Reports of outstanding success of the law in Baker have been received here, and other towns, including Salem, have adopted the law. In brief, the Baker ordinance fixes penalties for parents or guardians of a child under 18 who fail to properly supervise and care for such child in that such failure of supervision or care shall cause the child to become a dependent or delinquent child.

Details as to penalties and other features to be applied in the Lakeview version will be determined before the law is signed here.

THIRD INNING DODGERS
Snider tried to Woodling who made a nice running catch in shallow left-center. Brown whipped out Campanella, who hit the first pitch. Branca struck out, but had to be thrown out. Berra to Henrich.

FOURTH INNING DODGERS
Reese looked at a called strike and banged the next pitch deep into the lower left field stands, 385 feet away, for a home run to tie the score 1-1. Miksis took a ball, then sent a screaming liner to DiMaggio in left-center. Furillo rammed Byrne's first pitch past Brown for a single. The Yankee bullpen began to stir. Robinson walked on four pitches. Manager Casey Stengel went to the mound to consult with his battery. Lefthanded Joe Page and Righthanded Fred Sanford began warming up in the Yanks' bullpen. Hodges walked on five pitches to the bases. That was all for Byrne and he was replaced by Page. Olmo fouled to Henrich who reached into the field boxes behind first to make a fine glove-hand catch. Snider whacked Page's first pitch on the ground to Coleman, who flipped him out.

4-H Leader Transferring
LAKEVIEW—Scott P. Clevenger, extension agent in charge of 4-H club work in Lake county the past four years, is transferring to The Dalles as 4-H club agent for Wasco county. The announcement was made by L. J. Allen, state 4-H leader. The transfer is subject to approval of the state board of higher education.

Clevenger plans to be finished with his work here by November 7. The 4-H program ends October 31, making it possible for him to complete the 1948-49 club year. Allen stated that he expects to have a replacement here by November 1.

Succeeded Talley
Mr. and Mrs. Clevenger came to Lake county from Eugene on August 1, 1945. He replaced Harold Talley who has resigned to enter Boy Scout work. Prior to coming here, Clevenger was assistant secretary of the agricultural adjustment program.

In the last four years, 4-H enrollment in Lake county has grown from 188 boys and girls to more than 400 in 1948. The number of projects has increased from 257 to 475 individual projects in Lake county. There were 21 clubs in Lake county when Clevenger came here. This year there are 48. Much of this growth has been due to the volunteer local leaders, Caveneger said and the number of leaders grew from 22 in 1945 to 48 this year.

Oregon Sex Film Popular

PORTLAND, Oct. 7 (AP)—Oregon's film of sex education, "Human Growth," is now available in every state except Rhode Island. 20 prints are owned in Canada while 33 prints have gone abroad.

The E. C. Brown trust, which produced the sound color film in cooperation with the University of Oregon, in reporting this distribution today, said questionnaires show more than 90 per cent of the audiences have approved the film.

Since the film was first released to schools in the spring of 1948, it has been seen by 145,000 students in classrooms. The Brown trust report estimates that the total number of persons seeing the film is over 450,000.

the first pass given up by a Dodger pitcher in the series. Coleman was called out on strikes as he got back just in time to beat Campanella's fast throw to first. Byrne singled sharply past Robinson into center field, and Maps, with the hit and run on, went all the way to third. Bizzuto tied to Furillo. Maps tagged up and scored after the catch as Furillo's throw came in far over to the third base side of home plate. Byrne held first. Henrich walked on four pitches. Berra was out on a soft liner to Robinson.

One run, one hit, no errors, two left.

backed into short left field to get under Rizzuto's high pop.

EIGHTH INNING DODGERS
The official paid attendance was announced as 32,788. Branca was called out on strikes. Reese walked on five pitches. Miksis shot a single into the hole between third and short after missing an attempt to sacrifice. It was the first hit off Page in four innings. Reese stopped at second. Furillo flied to Maps in shallow right-center and the outfielder's quick retrieve kept the runners glued to their bases. Robinson backed up DiMaggio for his line drive in dead center.

NINTH INNING YANKEES
Robinson raced to his left to make a brilliant left-glove-hand stab of Henrich's smash and threw him out. Berra walked. The fourth ball got away from Campanella and rolled to the screen but Berra was unable to go beyond first. DiMaggio went out on a high foul to Miksis who made the catch near the third base field boxes. Brown singled sharply past Hodges, sending Berra to second. Joe Hatten, a lefthander, started warming up in the Dodger bullpen. Woodling walked to fill the bases. The fourth ball to him was very low and hit the dirt, but Campanella made a fine stop to prevent an advance. Johnny Mize, former New York Giant slugger, went in to bat for Maps. Jack Banta, a righthander, joined Hatten in the Dodger bullpen. Mize slammed a 2-1 pitch against the screen in right field close to the foul line scoring Berra and Brown and sending Woodling to third. It was a long single for Mize. Hank Bauer was sent in to run for Mize. Coleman slapped a single into center scoring Woodling and sending Bauer to third. Page went down swinging.

SEVENTH INNING YANKEES
Brown hit sharply to Robinson and was an easy out, Jackie to Hodges. Woodling was out on an easy straightaway fly to Snider. Maps skied to Snider, who nearly misjudged the high fly, but recovered in time to make the catch.

SIXTH INNING DODGERS
Maps galloped into right-center field to get under Miksis' fly. Furillo bounced out. Coleman to Henrich. Robinson walked on four pitches. Hodges flied to DiMaggio who loped in only a few feet to make the catch.

FIFTH INNING DODGERS
Campanella rolled out to Coleman. Branca was called out on strikes. Reese hit right back to Page who threw him out.

FOURTH INNING DODGERS
Reese looked at a called strike and banged the next pitch deep into the lower left field stands, 385 feet away, for a home run to tie the score 1-1. Miksis took a ball, then sent a screaming liner to DiMaggio in left-center. Furillo rammed Byrne's first pitch past Brown for a single. The Yankee bullpen began to stir. Robinson walked on four pitches. Manager Casey Stengel went to the mound to consult with his battery. Lefthanded Joe Page and Righthanded Fred Sanford began warming up in the Yanks' bullpen. Bums Wham 3 Homers; Mize's Hit Breaks Tie

(Continued from Page 1)

Giants. Mize batted for Hittles, Cliff Maps.

Big Jawn took a ball, a strike and then another ball. Branca's next pitch was clouted high into the screen.

Fast fielding and naturally Mize's ambling gate cut it to a single but Berra and Brown sped home with the big runs. Mize departed amidst a host of cheers from Yank fans, to be replaced by pinch-runner Hank Bauer. Woodling moved to third on Mize's hit.

Young Jack BBranta then replaced Branta on the mound.

Coleman slammed a single to center, permitting Woodling to romp in with the third run of the inning and the one that stood up for the final 4-3 margin.

It was a true-to-form performance by the Dodgers who hit 153 homers en route to the National league flag but it seemed odd for the Yanks to be winning on singles while the losers hit three out of the lot.

Page, of course, was the winning pitcher and Branca the loser.

New Hunting Spots Opened

LAKEVIEW — The Summer Lake rim and Lakeview logging area closures on the Fremont national forest were opened to hunters with entry at 12 o'clock midnight Wednesday night, it was announced by Supervisor Merle S. Lowden.

Wednesday morning the three-rule regulation on use of forest service lands was dropped, suspending the need for campfire permits and other fire precautionary measures that were in force during the dry season.

Rains of the past few days have been general over the forest and for the most part removed the fire hazard.

Six fires
Since hunting season opened, there were six fires on the forest and two were caused by hunters leaving their campfires unattended. In both cases, one on Thomas creek and one near Keno, the resulting fires destroyed the hunters' camp.

County Deputy Pankey Better

Deputy Sheriff Willis Pankey regained consciousness about 4 a. m. Friday, and his condition was said to be slightly improved at Klamath Valley hospital.

The officer had been unconscious for three and a half days, since an accident north of Hly when he and Sgt. Mark Sullivan of state police swerved to miss a deer on the highway.

Sgt. Sullivan is also still at Klamath Valley. His condition is reported good.
