

Bomb-Laden U.S. Plane Cracks Up and Explodes Killing All 12 Crewmen

HELENA, Mont., Oct. 13 (AP)—A U. S. air force B-50 bomber with a load of live bombs dived into a wheat field today and exploded with a roar heard 12 miles away. All 12 crew members were killed.

The plane, designed as the atom-bomb carrying version of the B-29, was on a 180-mile practice mission to the North sea island of Heleland with twelve 500-pound bombs.

Villagers said the plane appeared to burst into flames just before it dropped through a light ground fog and struck the field. Flaming bits of the four-engine craft were blown hundreds of yards in all directions from the huge central crater dug by the blast.

Burning gasoline set fire to a ring of farm buildings and to 60 tons of stacked wheat. Windows shattered and plaster ceilings fell in Heleland houses.

Both British and American aircraft regularly use Heleland for live bombing practice. Heleland was a Nazi submarine and anti-aircraft base during the war.

The third air division said this was the first accident involving a B-50 since the 43rd group of these craft arrived August 18 from their Tucson, Ariz., base.

Woodworking Class Offered

As part of the adult education program of the Klamath Community college will offer a non-credit course Wednesday at 7 p. m. in the high school shop.

Work will begin with small projects in soft woods and progress to more extensive projects in hard woods and furniture.

Modern equipment and machinery will be available for class use. Instruction in the use of hand tools and such machine tools as the circular saws, band saws, turning lathes, shapers, planers, jointers, and other up to date machinery will be given. Wood finishing and the

interpretation of working drawings will also be included.

Women Welcome

No previous training or experience is necessary to enter the class. Women as well as men are welcome. Persons interested in woodworking as a hobby are especially invited. The entrance to the wood-working shop is just off the bus lot at the back of the high school.

The class will be taught by Francis Scapple, wood shop instructor at KUHS. The fee for the course is \$10.50 for the term which will end December 22.

Former KF Resident Dies

Word has been received of the death of a former Klamath Falls resident, William G. Scott, 67, in Corvallis October 11.

Mr. Scott lived in Klamath Falls and in other basin communities several years ago and was once superintendent of logging for the Chiloquin Lumber company.

Death came following a lengthy illness. Mr. and Mrs. Scott moved to Corvallis where they purchased a service station and garage only a few weeks ago. Before that time,

they made their home in San Bernardino, Calif.

Funeral services and interment will be in San Bernardino Monday, October 17.

He is survived by his wife, a daughter, Mrs. J. B. Spencer of San Bernardino, and two brothers, George and Earl of Baker. He was a cousin of Mrs. Ed Asplund of 2233 Reclamation.

Benton Cows Free But Not Bulls

SALEM, Oct. 13 (AP)—It's OK for cows, heifers and steers to run at large in Benton county. But the bulls can't do it.

Attorney General Neuner ruled today that the law against live-

stock running at large in Benton county applies only to the male bovines.
