FARM BILL UPS GRAINS

CHICAGO, Oct. 18 (AP)—General buying hit the pits at the board of trade today after announcement that the senate-house conferees had agreed on a farm support bill. The advance in wheat was sharp after an up and down day, as traders tried to follow Washington news.

Basing trading on belief that the support price will be 90 per cent of parity for 1950, broad buying developed.

Deferred deliveries of wheat and corn advanced sharply at the start of the rally, but nearby contracts were not long delayed in catching up.

At the finish wheat was ¾ to 1¼ higher than yesterday's close, December $2.12¾-2.13. Corn was unchanged to ⅝ higher, December $1.15⅞-⅞. Oats were unchanged to 1 cent higher, December 68½-⅝. Rye was ½ to ¾ higher, December $1.46-1.45⅝. Soybeans were unchanged to ¼ higher, November $2.28¼-1.27¾, and lard was unchanged to 13 cents a hundredweight higher, October $11.60.

Stocks Make Good Gains

NEW YORK, Oct. 18 (AP)—Aircraft and radio and television stocks spearheaded a broad rise in today's market.

Numerous issues established new highs for the year on gains running from fractions to more than a point.

Demand focused on two periods during the day—in mid-morning and again during the final hour of business. Turnover hit a rate of around 1,100,000 shares for the full session.

The rally was a fast rebound from yesterday's decline, the largest in around a month.

Douglas Aircraft jumped more than 3 points at one time and Lockheed added over a point. Fractional ahead were Boeing and United Aircraft.

Also up were U. S. Steel, Bethlehem Steel, General Motors, Chrysler, Montgomery Ward, American Telephone, Dupont, Allied Chemical (up 4), International Paper, Standard Oil (NJ), Gulf Oil and Johns-Manville.

Homestake Mining was a soft spot with a loss of more than a point.

Air Service To Be Main Chamber Topic

Adequate air service for Klamath Falls will be the main dish on the discussion menu when the Klamath county chamber of commerce board of directors meet Wednesday in regular noon session.

Chamber Manager Charles Stark will report on the status of the civil aeronautics board hearing last August in San Francisco in which local air service problems were discussed.

With the cutting by United Air Lines to only two flights daily north and south serving Klamath Falls, it is felt improved service is an urgent need here, Stark said.

Fire Rakes Hotel In Dunsmuir

DUNSMUIR—A fire this morning did an estimated $10,000 to $12,000 damage to a wing of the Hotel Dunsmuir located on Florence avenue.

The blaze burned the kitchen, coffee shop and banquet hall but did not reach the hotel part of the building.

Fire Chief James Lambert said the fire apparently started in grease in the ventilator hood above the kitchen range and spread into the walls. The Dunsmuir fire department was called to the hotel at 5:15 a.m. and had to chop holes in the roof of the wing to get at the blaze.

D. L. Ireland, who operates the hotel under lease, made the estimate of damage. There were no injuries.

Potato Workers Exodus Seen

With potato harvest due for completion this week, there is expected to be some exodus of transient labor from the Klamath area, Jack Almeter of the Oregon state employment office said.

However, the majority of the migratory help will probably remain for sorting and other spud cellar tasks, Almeter added.

The sudden change to cold weather has caused only a slightly noticeable departure of transient workers from the basin.
