GRAINS UP AGAIN TODAY

CHICAGO, Oct. 20 (AP)—Grains marched upward again today on the board of trade, gathering their strength from congressional passage of new farm legislation providing high support prices next year.

The market opened strong, retreated a bit around mid-day on profit taking, and then resumed its march in the last half of the session. There was a tendency for wheat to lag toward the close.

Wheat closed ¼-⅞ higher, December \$2.13⅞-2.14, corn was ⅝-1¼ higher, December \$1.17⅝-¾, oats were ⅝-1¼ higher, December 70⅞-71, rye was ¼ higher, December \$1.47½-¾, soybeans were ½-2¼ higher, November \$2.31½-2.31, and lard was unchanged to 10 cents a hundred pounds higher, October \$11.65.

Stocks Start Slow Decline

NEW YORK, Oct. 20 (AP) — A slow decline in the stock market started today about the time President Truman said he would be forced to ask the next session of congress for higher taxes.

Rising tendencies appeared for a while after the opening of the market but they soon disappeared. Losses extended to more than a point for key issues.

Douglas Aircraft was a strong spot through the session. The price jumped around 2 points following news after the close yesterday that directors had voted a special dividend of \$1.50 a share.

American Woolen was hampered by an unfavorable earnings report and the price dropped more than a point.

Lower prices were paid for U. S. Steel, General Motors, Chrysler, Philco, American Telephone, American Smelting, Dow Chemical, Santa Fe and Johns-Manville.

Gainers included Packard, Montgomery Ward, Consolidated Edison, Standard Oil (N. J.), and Warner Bros.

Corporate bonds moved narrowly. U. S. governments held steady in over-the-counter dealings.

Yreka Murder Case Hearing Is Postponed

YREKA — The preliminary hearing of James F. Furlong, 68-year-old Callahan resident charged with murder of a Reedley, Calif., rancher at Mountain House near Gazelle last September 22, has been postponed "for about two weeks."

The hearing, scheduled for yesterday before Justice of the Peace V. Hayden of Callahan, was put off when Defense Attorney Mark Brawman asked for the appearance of Mrs. Mannie Herron, wife of the slain hunter, Delbert Herron of Reedley.

'Big Enough'

District Attorney Fred Burton told the court he did not feel it necessary to have all witnesses at the preliminary hearing, but Brawman said he felt if "Mrs. Herron is a big enough figure in the case to sign the complaint, she is a big enough figure to be here."

The justice of the peace agreed with Brawman and postponed the case.

Brawman asked that Furlong be admitted to bail but this was refused.

Tulelake Asks For Fire Aid, New Crossing

YREKA — A Tulelake delegation appeared here yesterday seeking road improvement and assistance on fire protection before the Siskiyou county board of supervisors.

Members of the delegation were Bob Hazelwood, Don Potter, W. N. Seigler, and Rolland Rinabarger.

Crossing Change

The group is seeking realignment of the railroad crossing at the southern approach to the city, and a new culvert at the crossing.

Members of the board authorized Chairman Gordon Jacobs of Hornbrook to order the necessary 148 feet of culvert pipe, while Hazelwood of Tulelake is to ask the U. S. bureau of reclamation what type of wing dams may be needed in conjunction with the culvert.

Request Fruitless

The delegation told the supervisors they had asked the California state public utilities commission to force the Southern Pacific to improve the crossing but no improvements have been made.

Rinabarger asked that Siskiyou county pay for one half of a Class One fire truck for the Tulelake fire district when that question arose. Chairman Jacobs said he would discuss with the state division of forestry the possible location of state equipment at Tulelake to assist in ironing out the problem.

The fire district is a mutual district with Modoc county cooperating with Siskiyou, it was explained. Modoc county would carry one half the fire truck costs if the purchase is approved.
