

Stocks Travel Narrow Trail

NEW YORK, Oct. 25 (AP)—The stock market—aside from a handful of strong spots—followed a narrow price pattern today. Dividend or other corporate news gave several issues a substantial lift. For the market generally, gains outweighed losses but few changes exceeded fractions either up or down. Turnover for the full session hit a rate of around 1,100,000 shares.

Proctor & Gamble jumped around 2 points at one time to a new high for the year. Demand was linked with rumors of a possible stock split-up or increased dividend.

A fractional gain lifted General Motors to its 1949 peak.

Others higher most of the way included Bethlehem Steel, Chrysler, Studebaker, U. S. Rubber, Boeing, Du Pont, Allied Chemical, Standard Oil (N.J.) and Celotex.

Among the sticky spots were Goodyear, Montgomery Ward, Douglas Aircraft and American Smelting. GRAIN PRICE GAINS HELD

Big Halloween Planned For City Schools

Big plans are in the offing for the community's school children this Halloween.

Individual parties will be held in each of the city's elementary schools with the school PTA and a service club arranging each affair. All activities are being coordinated through the city recreation office.

Hours of the parties will be from 6:30 to 8:30 p.m. to allow children to be home by 9 p.m.

Youngsters are urged to come in costume and with masks and other Halloween paraphernalia. Games, contests and refreshments will be highlights of the evening at all the parties.

Teen-agers are not being forgotten in Halloween plans. The Loyol Order of Moose, Women of the Moose and Teen-Age club are co-operating in sponsoring a dance at the armory for all teen-age young people in the county.

Admission will be free, but students must show their student body cards.

Refreshments, Music

Women of the Moose are furnishing refreshments, and music will be by Baldy Evans and his band. Hours are from 8:30 to 11:30 p.m.

The parties are being worked out on a plan similar to last year's when about 1800 of the estimated 2200 elementary school children in the city were entertained. This year's project is on a larger scale since last Halloween two elemen-

USO Returns To Oregon

SALEM, Ore., Oct. 25 — The USO is back in Oregon again — and operating over the world to be another home for more than 16,000 young Oregonians in the armed forces, now serving their country at home and in foreign ports.

Already one of the United Service Organizations centers has a fine setup — at Astoria. And early this month a camp setup, complete with Hollywood stars, made one-night stands at the veterans' hospitals in both Medford and Roseburg.

In charge of the program in this state is Robert R. Boardman of Salem, who headed the war-time USO in the capital city, backed by a state-wide committee of prominent citizens.

The idea is to meet the needs of the soldiers, sailors and airmen. Considerably younger on the average than their war-time counterparts, they are mostly "civilians in uniform" and five times as numerous as the service men of a decade ago before the war.
