

WHY WE SAY

"TWO-BITS"

TRY YOUR LUCK
6 CHANCES FOR TWO-BITS

Our slang for a quarter originated in the West Indies where a bit was a small coin equal to one-eighth of a Spanish dollar. This usage spread to New Orleans and the South and soon two-bits being equal to 25c was applied to our present American coin.

Courthouse Records

Murder Charged To 12-Year-Old

LONDON, Oct. 27 (AP)—A 12-year-old schoolboy was charged today with murdering a boy of four.

The accused boy appeared in Baling juvenile court with his father while police searched the Brent river shores for the body of Stanley Graves.

A hearing was set for next Wednesday.

Police officials gave no hint of the motive and did not say how they knew the child was dead.

Heifer is the modern spelling of two Anglo-Saxon words, heah-fear, meaning "high ox," as the heifer seems to stand up extraordinarily high on her legs compared to a grown cow.

FUNNY BUSINESS

"They serve a real chicken sandwich in this place, don't they?"
