

Cmdr. McCain Misquoted On A-bomb

PEARL HARBOR, Oct. 28 (AP) — Cmdr. John McCain, Jr., was misquoted in a dispatch reporting submarine-launched missiles could carry an atomic bomb.

The dispatch dealt with a navy announcement of plans to launch missiles from two submarines off Hawaii November 7.

The Associated Press reporter, who reported with Commander McCain's denial, today conceded he misquoted him. The reporter said: "When Commander McCain finished answering questions concerning the plan to launch missiles from two submarines, he was asked if they would contain an atom bomb war head. I thought McCain answered affirmatively. I must concede I misquoted him."

"The fact is," Commander McCain said yesterday in his denial of the AP report, "I don't know anything about the atom bomb in my naval experience. I've never had anything to do with atomic experiments."

Commander McCain is in charge of submarine guided missile development. What he said was: "The submarine, with guided missiles, has become a siege bombardment weapon."

Apple-Chucking Will Continue

SEATTLE, Oct. 28 (AP) — Halftime entertainment at Washington's home football games still will include apple pitching by Vic Habel.

The Seattle Machinery company executive said he had talked yesterday with Harvey Cassil, athletic director, and that Cassil had withdrawn his request of last week that he halt the practice. The athletic director said originally his request was to forestall possible injury to scrambling fans.

When a truck is not working it's a costly luxury...

Starting next week, KUBS will be dismissed five minutes earlier than previously with the new dismissal time set at 3:45. The change was brought about when it was decided by the faculty to discontinue the five-minute afternoon homeroom period which it was felt was unnecessary.

KIP SAD

CORVALLIS, Ore., Oct. 28 (AP) — Oregon State college athletes stood for the equalizer against Washington State college Saturday, but Coach Kip Taylor is unhappy.

The OSG mentor doesn't like the rain which seems certain to hang on until gametime. "It'll ruin our aerial game," moaned Taylor.

An Oregon State victory Saturday would even the series between the two schools at 18 wins each.

YOUTH ADMITS KILLING TWO

OAKLAND, Calif., Oct. 28 (AP) — An 18-year-old Oakland youth yesterday orally admitted the slaying last Saturday night of an Oakland drug store manager and his woman-aid clerk, Inspector Al Riedel announced.

The police inspector identified the youth as Jerry Newsom. He said Newsom, picked up for questioning in connection with another robbery, admitted the slaying while undergoing a lie detector examination.

Victims of the double killing were Robert Savage, 40, and his clerk, Mrs. Marjorie Wilson, 21. Their bodies were found early Sunday before the looted safe of the Rose Water drug store.

Investigating officers theorized from the position of the bodies that their slayer had made them kneel before the safe and then shot them in the back of the head, much in the manner of a Chinese execution.

The slayer took about \$612 from the store.

Betty Bennett was mistress of ceremonies for the traditional pep assembly today. However, the place for the assembly was quite the opposite of traditional, being held on Modoc field rather than the auditorium. A photographer took colored moving pictures of the band in full uniform, the student section and the contents of the assembly which included a group of girls dressed in cavemen outfits and wearing football helmets. They marched onto the platform in single file and sang a parody appropriate to the occasion.

New rules covering the situation have been adopted by both the American and National leagues. The justice department said yesterday it will sit back and see how they work and drop the thought of prosecution now.

Thus Baseball Commissioner A. R. Chandler has named down again his right to the nickname "Happy." The government decision comes as a relief for him after all the legal headaches he's suffered since leaving the senate to take over the baseball job.

The justice department broadcasting-televacating action which wraps everything up ends a two-year fight by radio stations to have major league radio and video rules altered.

Many stations had charged there were "unreasonable restraints" on them which prevented their broadcasting many games.

SEATTLE, Oct. 28 (AP) — Hopes of University of Washington fans that the Huskies might-for once this season-go into a football game at full strength, vanished today.

Fullback Tiedemann, hard-hitting hurler, banged up his knee yesterday and Coach Howie Odell said it was unlikely that "hot to go" Hank will be able to spell Hugh McElhenney in Saturday's homecoming clash with the University of Southern California.

Video Beef Straightened

WASHINGTON, Oct. 28 (AP) — Major league baseball stepped out of a three-year era of legal entanglements today with the justice department's halt to an anti-trust inquiry into the broadcasting and televising of games.

New rules covering the situation have been adopted by both the American and National leagues. The justice department said yesterday it will sit back and see how they work and drop the thought of prosecution now.

Thus Baseball Commissioner A. R. Chandler has named down again his right to the nickname "Happy." The government decision comes as a relief for him after all the legal headaches he's suffered since leaving the senate to take over the baseball job.
