Head your Buick for our fountain of youth

NOW'S the time when Autumn calls you out for a ramble in your Buick.

Slide under the wheel and answer that call! Take a Fireball cruise through the countryside, with your heart growing lighter and the years slipping off your shoulders at each mile!

Just one reminder, though. Make sure your Buick is in top shape to keep step with you. First bring it in to us—and let us clean sum-

mer's dust out of your air filter, flush out tired summer crankcase oil with its grit and goo, check your carburetor adjustment to see that you're getting the most powerful, most economical mixture with October's cooler, heavier atmosphere.

We can do this quickly, economically, with a sure touch. Our thorough Buick training and long Buick experience in doing each job the factory-designated way have earned us a reputation—we're the "Fountain of Youth" for Buicks.

To make it easy, we've printed a Fall Check List below. Just tear this out, drive in this week and hand it to us—and when you head out for the open road there'll be a happy smile on your face!

Buick care keeps Buicks best

Tear out this check list—bring it in with your Buick

- Fall Checkup — Lights, brakes, tire wear, front-end alignment, oil filter unit, battery, car heater.
- Adjust — Carburetor, distributor.
- Clean — Air cleaner.
- Flush — Crankcase, cooling system.
- Estimate — Antifreeze requirements.
- Also — Lubricate (bumper-to-bumper lubrication and inspection.)

The welcome mat is out... a cordial invitation to visit, to look at cars... and to look at us.

An "open house" is the best way we know to acquaint you with your automobile dealer. Not as a buyer and a seller... but as guest and host.

We think highly of our "house." We keep it in order to earn the respect of our community and we'd like to show off a little. We'll be proud to have you visit this week, during "Know Your Automobile Dealer Week" ... and any week.

MONDAY NIGHT IS OPEN HOUSE AT ALL DEALERS
