LOOKING FOR CLEAN, ECONOMICAL FUEL OIL?

The most important thing about a fuel oil is that it be clean. Union fuel oils are refined and transported with the same degree of care as premium gasoline. This means that when delivered to you they are completely free from moisture and foreign substances. It means they'll do a soot-free, economical, dependable job wherever you put them to work. Try them next time.

UNION STOVE OIL—a highly distilled oil for use in stoves, space heaters, burners and high-speed, light-weight Diesel engines.

UNION BURNER OIL—for automatic burners and furnaces, Diesel and semi-Diesel engines.
