

Medford Growing, Directory Shows

MEDFORD, Nov. 2 (AP)—Medford's population is 20,100 a 90 per cent gain since 1940, unofficial figures based on a new city directory pre-

pared by the local branch of the Mormon church show. In 1940 the population was 11,281 and in 1930 it was 11,007. The increase is ascribed largely to the general population shift to the West. Increased employment in lumbering, and pear growing has been noted. Too, there has been a

substantial increase in the number of persons coming here to live after retiring from active business. Smooth golf balls do not drive as far as dimpled or mesh surface balls. The explanation is that the rough surface enables spin to lift the ball more.

Highway Race Ends in Death

Harry DeFreeze when the accident occurred. Justice of the Peace Katie Doolittle fined DeFreeze \$150 after he pleaded guilty to the racing charge. For a few pennies per word you can advertise to thousands—through a Want-Ad! Phone 8111.

Israeli Town, New Art Center

SAFED, Upper Galilee, (AP)—This medieval town of Biblical learning is to become an art center in Israel. Several leading Jewish painters left

noisy Tel Aviv to settle in this little mountain town north-west of Tiberias and the Sea of Galilee. It is the rocky area where, according to an old Jewish legend, the Messiah will descend from heaven. The painters say the whole atmosphere of the Safed tradition,

the unique beauty of the landscape and the lightness of the air constantly inspires them.
