Fuses Blow Causing Power Outage

Residents of the Mills addition, St. Francis and Altamont districts were subjected to an involuntary blackout Saturday evening when the lights went out about 6:15 p.m.

California Oregon Power company officials said the black-out was caused when several fuses blew out on high tension lines near the Great Northern railroad depot.

Cause of the blown fuses was not determined. Copco repairmen went to work and lights were on within one hour.

County Yule Seal Sales Force Ready

All of Klamath county is now organized and ready to start the sale of Christmas seals which will finance the work done by the Tuberculosis and Health association in raising the standard of health for our community.

Mrs. W. A. Shannon has been named county chairman and Orth Sizemore city chairman. William McKibbin is directing the personal solicitation campaign, and Mrs. John Ashby is in charge of selling the Santa Claus buttons and bangles in the city schools during the Christmas season.

Chairmen
The outlying communities each have a chairman, also. For Bonanza, it is Mrs. Owen Pepple; Merrill, Mrs. Warren Fruits; Malin, Mrs. A. C. Street; Midland, Mrs. LeRoy Houck; OTI, Mrs. Burnice Grewell; Sprague River, Ross McIntyre; Dairy, Don Rice; Chiloquin, Mrs. Ruby Pieler; Crescent, Mrs. Esther Guddat; Bly, Mrs. Dave Campbell; Gilchrist, Albert Carmichael; Chemult, Mrs. J. C. Franklin; and Shevlin, C. M. Olson.

In connection with the organization of the county, Mrs. Edith Compton, executive secretary of the association, and Mrs. Shannon just returned from a trip on which they contacted chairmen at Gilchrist, Chemult, Crescent, Shevlin, Chiloquin, Fort Klamath and Klamath Agency. In addition to the Christmas seal sale, they discussed with school personnel the needs their school would have for health films, posters and pamphlets on tuberculosis and health education. The possibility of social hygiene courses for parents was also considered.

The Christmas seal sale will officially open on November 21 and continue through the Christmas season.

BIG TIMER—David Smith, 2 1/2, found time hanging heavy on his hands when he visited a clock exhibition at Auckland, New Zealand. David got a lift from a grown-up and found that, just as he'd suspected, the watch was too big for his pocket.

Everyone Excited But Baby

GRAND RAPIDS, Mich., Nov. 7 (AP)—Tiny Susan Culp saw no reason for all the excitement when her foot became wedged in a cellar drain yesterday.

She dropped off to sleep while her parents, Mr. and Mrs. Roy Culp, three police officers and a doctor worked frantically to free her. They finally succeeded by knocking a hole in the cement floor and removing part of the drain pipe. Sixteen month old Susan slept right through all the pounding.

She was still snoozing when her mother carried her up to bed.
