

Ballots Out For Chamber Directors

Klamath County chamber of commerce members are currently in the process of posting nominations for election to next year's board of directors.

Nomination ballots have been mailed out to all members in good standing, and must be returned to the chamber office by November 21. Fourteen top names from the list nominated will then be placed on an election ballot and sent out to chamber members on November 23. Deadline for return of the ballots is November 29.

Procedure
The election procedure is under supervision of an election committee chaired by Bert Hall. Other members of the committee are Robert Sigurd, Mrs. W. T. Martin, John Holmgren, Mrs. Alice Vitus, and Mrs. Dena Backes. Appointment of chamber officers will be made by the newly elected board of directors.

Hendershott Speaks At Exchange Lunch

Bob Hendershott, KUHS coach, was the principal speaker yesterday at the Exchange club luncheon.

Slow motion moving pictures were shown of the Klamath football team in action and the coach explained the good and bad parts of various plays.

Hendershott would not comment directly on what he expects of the La Grande clash, but he did say that the local boys will have to play as well or better than they did against Grants Pass in order to win.

East Portland Groups Fight Park Meters

PORTLAND (Special)—Seven major East Portland organizations are

now on record against the proposal to install parking meters on the East Side, Dave Goldman, editor of the Portland Statesman and chairman of the committee which is spearheading the fight against them, announces.

Heading the groups is the East Portland Citizens committee. The others are: Sellwood-Moreland Lions club, Overlook Boosters club, East Side Commercial club, Melrose Community club, Hawthorne

Merchants association and the East Portland Women's Consumers league.

Needless?
Goldman reports that the groups feel that if parking restrictions are enforced, parking meters are not necessary. He also stated that they opposed parking meters as being just another form of tax on small East Side business firms and their customers.

Portland headquarters of the anti-

ti-parking meter committee are located at 710 S. E. Grand avenue.
