Talk on India Heard By Group

A general meeting of the Womans Society of Christian Service of the First Methodist church was held in the church parlors on Thursday November 18. The executive board met at 1 p. m. and the regular meeting and program opened at 2 p. m. with Mrs. Mark Taylor presiding. For the opening service she read from Matthew chapters 28 and 29 and this was followed by the hymn "Help Somebody Today."

Mrs. John Yadon reminded members of Conference prayer time at nine o'clock each morning, and also reminded them of the church prayer group which meets at the church every Tuesday, from 9 to 10 a. m. During the general business session, plans were discussed and completed for the bazaar and luncheon to be held at the church on December 2.

Mrs. E. M. Chilcote led the devotions and the hymns sung were in keeping with the mission theme, of Pakistan. Mrs. Taylor led the group in singing "The Lily of the Valley" with Mrs. Earl Redman at the piano and the afternoon's program was conducted by Mrs. Martindale Woods whose daughter, Murden Woods, has just arrived in India where she will serve as a missionary for three years. As background for the talks upon Pakistan, there was shown a five-point star map of the new state and also maps of India. The work of Mahatma Gandhi was stressed, especially his help to the outcasts. There are six million Christians in India at present, although this is only a small part of the teeming millions.

Mrs. Arlet Edsall explained how Pakistan was named, the word, formed from letters in the names of the five provinces which comprise it, meaning "Holy Land" or "Land of Purity."

Mrs. Frank Steele discussed the women of India and their work, illustrating her talk with pictures, and Mrs. Woods then pronounced the benediction. Tea was served by Martha circle, with Mrs. Wesley McNee and Mrs. John Riach pouring. An attractive arrangement of marigolds in shades of orange centered the tea table.

Something New Again

at the ART CENTER, this time beautifully made (all by hand) gifts by children who live at Crossmore, North Carolina, the Daughters of the American Revolution school for girls. Here is an opportunity to help the youth of America and to add to your Christmas stockpile of gifts . . . in keeping with the policy of the ART CENTER the lovely wool, woven baby blankets, the delicate place mats, dainty linen guest towels and cunning little bibs are all HAND LOOMED.

If you are looking for something really out of the ordinary ask to see the rose and white linen and wool "throw" for tucking you in for those forty winks when holiday preparations start a worry wrinkle. Woven in an old Colonial pattern it has a deep, rose fringe . . . Curious, because it was so startlingly lovely we asked the price. If you cherish HANDMADE linens this is a "steal" at $25.00.

The girls in this school specialize in weaving and the samples sent to the ART CENTER are worthy of your inspection.

With the Christmas gremlins perching on your shoulder and breathing the word HURRY down your spine it isn't too soon to drop into 1327 Main street, the

Did you know when making festive Christmas decor that you can use an insect sprayer for gilding or silvering; that cooking oil will make all leaves shine beautifully; that there's one kind of scotch tape that is sticky on both sides; that very thin florist's wire is quicker to use than twine; pin holders and modeling clay will hold candles securely; that frequent spraying or dampening of the greens you bring in from the woods will keep them fresh until you are ready to arrange them or use them in swatches?

Bonjour Madame!

May we tell you about a triumph in CHINA dinnerware that is being shown for the FIRST TIME in Klamath Falls? No need to tell you that this gloriously executed pattern in Limoges Haviland is to be found at RICKYS.

Haunting as usual, the china department downstairs this week we found Bird of Paradise, one of the most extravagant patterns in Limoges ever kilned. It was so lovely we knew there must be a bit of history in the making of this breathtaking, fragile, Haviland, so we scouted the library and found that Limoges porcelain china was first produced in France in 1736 in the Limoges factory, one of 40. France then was noted for production of china and turned it out for nobles of the world.

All the story is too long to tell but it IS interesting that the Limoges factory became the personal property of Louis XVI of France in 1784 and that Marie Antoinette once owned a set of this famous china . . . the dinner plates costing a small fortune.

The Bird of Paradise in all his beauty dominates each piece of the table service . . . we noted the plumed beauty was INSIDE each cup instead of outside as usual. Colors are muted, not startling, with rose predominating . . . edges are brushed with 24 karat gold.

The 93 piece service for 12 has 9 extra service pieces . . . the price is $350.00 . . . at RICKYS.

There is tradition and prestige in a set of Bird of Paradise . . . you'll love looking at it . . . Haviland, we all know is one of the most supberb porcelains ever manufactured. You'll appreciate the quality of all gifts you find at RICKYS, you'll appreciate the courtesy you'll find when CHRISTMAS shopping at 700 Main street,

RICKYS.
