### 4-H CLUBS INCREASE

Oregon now has more than 28,000

They are organized into 3400 local clubs which is about 300 more than last year.

Based on eligible rural population—youngsters between nine and 21—one out of five Oregon youngsters were in 4-H club work during the past year.

L. J. Allen, state club leader, said the success of the Oregon 4-H club program rests largely with the local volunteer 4-H club leaders. There were more than 2800 in the state this year.

## Cheer for Sale, Not for Show

RALEM, Nov. 24 (AP)—State liquor store can't display Christmas decorations this year. The store's liquor will provide enough Christmas cheer.

Governor McKay said today that Budget Director Harry Dorman is ending the tradition of giving each liquor store \$10 for Christmas decorations. He said it is an "unnecessary expense" and the governor agreed.

"Sentimentally, it is a fine idea," Governor McKay said. "It would seem to me, though, that the liquor

stores have plenty of Christmas cheer already.

## Election Bets Pay Off

NEW YORK (AP)—Vic Ercias, Trieste-born chef, has been helping New Yorkers pay and collect election bets for 10 years. Winners get a "Gourmet Special" at his Cabin Grill. Losers watch them eat it, but get only scanty fare themselves.

The special dinners cost the losers \$25. They start with 1905 burgundy and go on through a four-inch steak. After 15 other courses

they wind up with deep dish roasted banana pie.

For a luncheon salad mix chopped hard-cooked egg with minced leftover ham and use sour cream for the dressing. Serve on salad greens or use as a filling for split toasted frankfurter rolls.
