

Saigh, Rickey Huddle

NEW YORK, Nov. 30 (AP)—Brooklyn's Branch Rickey and the St. Louis Cardinals' Fred Saigh are scheduled to resume trade talks here this week-end. They'll probably huddle Saturday.

The president of the Dodgers is to leave the Mayo clinic Thursday. He has been at the Rochester, Minn., clinic for two weeks, undergoing a minor operation.

Saigh, head of the Cardinals who battled the Dodgers down to the wire for the National league pennant last year, said he had been contacted by the Brooklyn boss.

The Dodgers are anxious to land a pitcher and the Cards want an infielder for insurance purposes.

Shortstop Marty Marion was troubled with an ailing back last year.

Brooklyn is casting eyes at Ted Wilks, Cardinal pitcher.

Brush-Off Continues on Bowl Game for College of Pacific

NEW YORK, Nov. 30 (AP)—Four more of the smaller bowls had their lineup completed today, leaving only three announced post-season college football shows still shopping for talent.

At the same time two efforts to land unbeaten, untied College of the Pacific in a bowl attraction met failure.

The four bowls to finish their programs were the Raisin at Fresno, Calif., the Salad at Phoenix Ariz., the Little Rose at Pasadena, Calif., and the Texas Rose at Tyler, Tex.

Texas Tech accepted an invitation to meet San Jose State in the fifth annual Raisin Bowl December 31. This brought a rebuke from the Sun Bowl at El Paso, Tex., which

San Diego in Gold Dust Bowl

VALLEJO, Calif., Nov. 30 (AP)—Vallejo Junior college has been selected to represent Southern California in the second annual Vallejo Gold Dust Bowl which will be played here December 16.

Oven Chavez, manager of the game and representative of the sponsoring Vallejo 20-30 club, made the announcement today.

San Diego, one of the strongest Jaycee clubs in the southern part of the state will meet the winner of the Santa Rosa-Menio J. C. game which will decide the Northern California championship Friday at Santa Rosa.

The San Diego squad has a seven-two record for the season.

Heavy-Duty Engineered INTERNATIONAL TRUCKS

...America's most complete line of trucks. 87 basic models, thousands of specialized variations—every truck heavy-duty engineered.

Every International Truck in the line is all new. And every new International Truck from the lightest pickup to the biggest truck in the line (in other words, every single truck ranging from 4,200 to 90,000 pounds gross vehicle weight) is HEAVY-DUTY ENGINEERED!

That means the new International Trucks will give you lower operating and maintenance costs. It means they'll last longer. Look at the record.

For 18 straight years International has been first in the sale of heavy-duty trucks (16,001 pounds and over, GVW). The cost-conscious men who buy these trucks buy on a basis of performance proved by their own cost records.

The same management, the same engineers, the same production men, the same test experts who have made heavy-duty International Trucks such an outstanding value have developed every single new model in the new International Truck line.

Come in—find out what this heavy-duty engineering of every new International from the smallest pickup to the largest truck built means in terms of operating economy.

Come in—find out how this heavy-duty engineered truck stamina is combined with new comfort and ease of handling.

Come in—find out about the new features, new advancements, new improvements—each one proved under actual operating conditions in years of tests from coast to coast.
