NEW ATOM BOMB TEST SCHEDULED—The Defense Department and Atomic Energy Commission disclosed that a task force is now being organized which will test at Eniwetok in the Marshall Islands, probably next spring, at least three new atomic bombs expected to be a "major improvement" over the sensational weapons tried out there last year. Closeup of Eniwetok (bottom, right) shows the tiny atoll which is 5000 miles from San Francisco. Navy and air patrols are expected to clear the area—a region of ocean about 200 miles square—of all craft having no business there. Big map also shows Bikini, where two atomic bombs were exploded in 1946.

DIES—Major General George F. Moore (above), 62, the general who commanded Corregidor during the Japanese siege of that island fortress, was found dead on a mountain road near Burlingame, Calif., with a bullet through his head. Must Be Demos To Get Wealth

SACRAMENTO, Calif., Dec. 7 (AP) A California peach grower who got rich during the democratic administration has willed his $750,000 estate to his brothers and sisters with the specific request that they become democrats.

The will of Harvey B. Whitten, probated yesterday, specifically requested his heirs "to renounce the republican national party, its policies and platform and to vote henceforth a straight democratic national party ticket."

The will went on to explain that because Whitten made his money under the democratic administration it was his "desire that no republican party members receive anything" from the estate.

IN MEMORIAM

George Grover Everitt who passed away 15 years ago December 5th.
Gone is the face I loved so dear,
Silent is the voice we loved to hear,
Too far away for sight or speech.
But not too far for thought to reach;
Sweet to remember him who once was here,
And who, though absent, is just as dear,
Ever remembered by his Mother,
MRS. HAZEL WHITLOCK
Grandmother ABBIE HYDE
