Portland Chest 8 Per Cent Short

PORTLAND, Dec. 8 (AP) — Community Chest directors reported the \$1,194,000 now in the fund—about 8 per cent short of this year's goal—is about all the money they can get.

President Ben H. Hazen said the social agencies must trim their budgets. He noted the goal was the largest ever and that considering circumstances of employment here, the final amount was not too discouraging.

CARD OF THANKS

We wish to thank all of our kind friends and neighbors for their many expressions of sympathy, condolence, and for the beautiful floral offerings during the illness and loss of our father and grandfather.
