

# Shakespeare To Be Read At Library

Shakespeare instead of Clarence Day will be presented to the library club at the monthly meeting on Monday, with Angus Bowmer, head of the English department at Southern Oregon College of Education, doing the honors.

The switch from "Life With Father" to a reading and interpretation of "Hamlet" was necessitated by unforeseen technical difficulties of production and to avoid a conflict with the schedule of the dramatics department at the high school.

Mr. Bowmer is best known locally for his establishment of the Shakespearean festival and outdoor theatre at Ashland which has been in production for nine years, and is extremely unique.

Additional outstanding entertainment will be furnished the club members by the musical program to be presented by several groups from Klamath Union high school under the direction of Andrew Loney, director of music in the city schools.

Decorations will be in the Christmas spirit, thanks to the Garden club and its president, Mrs. Earl Redman, and a display from the Art Center will be on exhibit.

This program will start at 2:00 p. m. on Monday in the City Library auditorium.
