Christmas Cookies Are On Parade

All of these cookies will keep fresh for days if stored properly—and that means in a tightly closed tin box. Be sure to store soft cookies in one tightly closed container, crisp cookies separately in another. And are they ever delicious! Each variety has its unique flavor.

COCONUT SQUARES

Ingredients: For Crust: 1½ cups sifted all-purpose flour, ½ cup sugar, one-third cup butter or margarine, 3 tablespoons old-fashioned dark molasses. For Topping: 2 eggs (beaten), ½ cup sugar, 3 tablespoons sifted all-purpose flour, ¼ teaspoon salt, ¼ teaspoon baking powder, one-third cup old-fashioned molasses, 1 cup chopped nut meats, 1 cup shredded coconut.

Method: For Crust—Sift flour and sugar together. Cut butter or margarine to make crumb consistency. Add molasses; mix well, and pat into an ungreased 8 x 12-inch pan. Bake 10 to 15 minutes in a moderate (350 degrees F.) oven. The top of the crust will be slightly soft, but do not increase baking time. For Topping—Mix the eggs, sugar, flour, salt, baking powder, molasses, nut meats, and coconut. Bake in a moderate (350 degrees F.) oven for 35 minutes. The top will be slightly soft, but do not increase baking time. Leave in pan to cool. Cut into 36 squares.

MOLASSES CRISPS

Ingredients: 3 cups sifted all-purpose flour, ¼ cup sugar, 1 teaspoon baking soda, 1 teaspoon salt, 2 teaspoons ginger, 2 teaspoons cinnamon, ½ cup shortening, 1½ cups old-fashioned molasses (heated).

Method: Sift together the flour, sugar, baking soda, salt, ginger, and cinnamon. Cut shortening into mixture to resemble crumbs. Stir in warm molasses. For drop cookies drop ¼ teaspoon batter at a time onto greased cookie sheets; flatten tops to ¼-inch thickness with a glass covered with a damp cloth. Bake in a moderately hot (400 degrees F.) oven for 7 to 8 minutes. For rolled cookies chill dough until stiff enough to roll (about 4 hours or overnight). Roll on lightly floured board and shape with cookie cutters. Decorate as desired with colored sugar, nuts, or dried or candied fruit. Bake as for drop cookies above. Makes 7 dozen cookies.

CHRISTMAS COOKIE CANES

Ingredients: ½ cup softened butter or margarine, ¼ teaspoon salt, 2 teaspoons almond flavoring, ¼ cup sifted confectioners' sugar, ¼ cup old-fashioned molasses, ½ cup finely chopped nut meats, 2½ cups sifted all-purpose flour.

Method: Cream together butter or margarine, salt, almond flavoring, and sugar. Add the molasses and nut meats. Stir flour into mixture, about 3 tablespoons at a time. Chill dough until it is stiff enough to handle. Shape small pieces of dough to resemble candy canes, keeping hands and board dusted with confectioners' sugar instead of flour. Bake on lightly greased cookie sheets in a slow (325 degrees F.) oven for 15 to 20 minutes or until lightly browned. Cool on pan 1 minute before removing to wire cake cooler. When cold, decorate as follows: Sift confectioners' sugar and measure 1 cup for use; stir in 5 teaspoons water. Spread over cookies with a paring knife; place on wire cake cooler for icing to

The hostess is served next, then the person to her right and on 'round the table. The wine is poured from the guest's right and the glass is not lifted from the table.
