

WHEN MRS. FREDERICK EHLERS opened her home to the American Association of University Women for their annual Fellowship Tea, guests enjoyed a tea hour in a setting of fall flowers tastefully arranged against a background which was a perfect foil for the bright colors. REFLECTIONS FROM  
**Milly's Mirror**

**CHUCK AND CANNA FROCK**, who were in San Francisco on business recently, had a little break in the monotony of the usual when they were met by Canna's uncle, Vice Admiral Arthur Struble, who was in port, and they and Mrs. Struble were luncheon guests on the airplane tender Curtiss—Admiral Struble is in command of the first fleet! Another highlight in the trip for the Frocks was that the Frank Humphreys joined them in San Francisco—

**DOROTHY AND MILTON** Elair have been busy for the past week doing a little local sightseeing with Dorothy's father Mr. Henry Driesen and her sister, Mrs. Henry Gyal from Stanley, Wisconsin—Former residents from Stanley—now living in Klamath Falls—were so pleased to see an old friend from home that they are sending Viola Gyal back to Wisconsin with a large sandwich tray of juniper wood which the Frocks had to carry in that part of the country—even as a manufactured product.

**"FUN" RAISING PARTY** was the topic of conversation when I was in a group of Reames auxiliary girls the other day—They made it plain that ere would be fun and food provided for all who attend this annual affair—although primarily an auxiliary project—**HUSBANDS RE HELPING**—cheerfully and willingly—because they realize that their efforts will all show up in results for the good of the club.

**MRS. J. C. HOOPER** of Midland district in the kick-off breakfast and to get supplies for the trip to the "hot belt" in the William Tubach of Poe Valley for the same reason.

**BLANCHE BALSIGER** who has been in Hillside hospital for major surgery has recovered to the extent of making going home plans Sunday—Her sister Mrs. W. E. Harrison—Stockton has been at the Elmer Balsiger home twinning taking care of the twins Randy and Fixey. I was surprised to see Blanche looking so chipper—because she was down with the flu for sometime prior to her operation.

**A MORE THAN FACHE** den is indicated to properly describe the characters who talk off on what we hope and pray is not a "wild goose chase"—and knowing what they are getting into—those who earnestly thought for a successful hunt—beamed in the general direction of Lake Canim, B. C., Canada will be in vain—Howard Fennell, Earl Elison, Lloyd Brock, Jack Crawford, Elbert Stiles and Paul Dalton left Wednesday, with stuff stacked, stowed and strapped for the trip of seasonal hunting and fishing.

**THE TANG OF SMOKE** in the air is a trite phrase but annually in this town it is a pleasing treat—**AUTUMN!**—and where would one get an almost-spring rain the next day—cold to some but not to us—and volunteer workers on the Chest—such as Lona Martin who has given days and days of different kinds of weather—Vivian Bell, Kaup and Mrs. Verne Spliers (co-chairmen

The regular luncheon meeting of Quota club was held Monday at the Pelican. Blanche Petroff reported good results from the recent rummage sale. President Vera Chase announced that 3000 booklets on conservation of hearing in the school child, had been presented to the Klamath county health department for distribution to children in 12 city and county schools, who will receive audiotape test this year. The booklets contain common sense rules on care of the ears, and have been approved by the Oregon Medical association and the state board of health. The "Quoties" are illustrated with picture-like characters that are appealing to children. This is the second year Quota has sponsored this project. The state board of health audiotape will test children in these schools, this year: Chiloquin, Pelican, Altamont Junior high, Altamont Elementary Peterson, Summers, Merrill, Mallin, Sacred Heart, Fremont Junior high, Fremont Elementary, and Riverside.
