MARKETS and FINANCIAL Grains Lose Early Strength CHICAGO, (AP)—Grains lost ground toward the close of today's board of trade session after making good early progress on new export business.

During the greater part of the session plus signs were hung up in all pits, with rye and soybeans showing the best progress.

The wheat went to Japan, India and Mexico, while Israel, Saudi Arabia, the Belgian Congo and Jamaica took flour.

Another factor in the advance was more snow in the Canadian wheat country.

At the finish wheat was 1/4 higher to 1/2 lower than yesterday's close, December \$2.53 1/4. Corn was 1/4 higher to 1/2 lower, December \$1.79 1/4. Oats were 1/4 to 1/2 higher, December 90 1/2-3/4.

Steady, Mild Sales Mix Stock Prices NEW YORK, (AP)—Persistent but mild selling clipped away early strength in the stock market today.

Gains and losses ran more than two points in either direction in active areas.

Trading came to an estimated 1,600,000 shares as compared with 1,700,000 shares yesterday when the market was rising.

Some market started higher today in yesterday's late rally that put the market appeared to be an extension of that buying.

Buying came into all divisions, especially railroads, non-ferrous metals, oil, and chemicals.

Later, however, rails started backing down as pressure heaviest on Santa Fe. Steel joined in with U.S. Steel leading the slightly lower trend of that section.

At the same time minus signs appeared all through the list to balance the remaining upside stocks in the final hours.

Death Wreck Trial Nov. 19 Date for the trial of Sanford LeRoy Henderson, 32, Tuesday, Nov. 19, in a charge of negligent homicide was set for November 19, yesterday afternoon in circuit court.

Henderson, on advice of his attorney, U. S. Valentine, pleaded not guilty to the charge. He is accused in the death August 31 of Mrs. Frank Hibbs, Jacksonville, Ore., in a head-on auto crash on Oregon 66 about 23 miles west of Klamath Falls.

Henderson, his wife and young baby, were returning home from a long trip to Arkansas.

The charge cites Henderson with negligently operating his car on the wrong side of the highway, crashing into a vehicle driven by Frank E. McElfresh, Clatskanie, Ore.

Mrs. Hibbs was pronounced dead on arrival at Klamath Valley hospital.

In a second criminal charge, that of manslaughter arising from a fatal car accident, Tony Garcia, 36-year-old Malin farm worker, will enter a plea in circuit court Thursday morning.

Garcia yesterday requested appointment of an attorney to represent him on the charge, and Judge David R. Vandenberg named L. Orth Sizemore as his counsel.

Sizemore asked till Thursday to study the indictment and decide on an answer to the charge.

Garcia is charged in the death of a Los Angeles woman and John Black, Malin, in an accident September 8 on Oregon 30 near Henley.

Both Henderson and Garcia are held in the county jail in lieu of \$5000 bond.

Students Get Minor Hurts Four OTI students narrowly missed serious injury last night when Wayne Paulsen steered his car into a borrow pit near the U. S. tracks on Altamont to avoid hitting a freight train in an accident.

The quartet was treated at Klamath Valley hospital for minor injuries and released.

State police report Paulsen was driving north on Altamont about 10:30 p.m. and, when he saw a slow-moving freight, took to the ditch in preference to ramming the train.

Treated at the hospital besides Paulsen were Charles Wagner, injured thumb; Don Keaton, scratches; and Jim McGregor, minor bruises.

Extensive damage was done to the radiator and left front fender of Paulsen's 1936 Ford sedan.

Defense Dock Workers Back NEW YORK, (AP)—Insurgent stevedores ended their boycott of military piers today, but otherwise there was only a small dent in the dock strike that has immobilized the world's biggest port.

For the 16-day time since the billion-dollar, 16-day waterfront shut-down began, defense loading and unloading jobs apparently were fully manned by regular longshore crews.

Picket lines disappeared from the military docks in Staten Island, Jersey City and at Brooklyn's huge army base, where more than 300 rebel strikers streamed back to work.

But elsewhere along the miles of the docks, pickets still marched. Only on one Hudson river pier did non-strikers succeed for a second day in circumventing the picket barriers.

At pier 90, where the big British liner Queen Elizabeth is berthed, the actors raised the berthed. Only on one Hudson river pier did non-strikers succeed for a second day in circumventing the picket barriers.

Gable Divorce Poses Problem HOLLYWOOD, (AP)—If Clark Gable moves to Nevada, could his wife get alimony from him in California courts?

Especially since her passport lists her as a resident of Beverly Hills, California, questions yesterday in an affidavit opposing Mrs. Gable's petition for an injunction to prevent him from getting a Nevada divorce.

Gable said he had taken numerous steps to become a legal resident of Nevada, where he has filed suit to divorce the former Lady Sylvia Ashley.

As a resident of Nevada, Gable contends, he is not subject to any ruling made by California courts. Mrs. Gable says he is still a resident of California.

Gable's affidavit said he is selling his home in suburban Encino, has paid a Nevada poll tax, has paid 10 percent on the 3000-acre Fleischman ranch in Minden valley near Reno, and transferred his bank accounts to Reno and Carson City. He will continue, however, to make movies for a Hollywood studio.

Robbery Tip Real McCoy CHICAGO, (AP)—A movie cashier told police last night that a man called her and said: "You are being watched. You will be robbed shortly, so behave."

A few minutes later Gertrude Anodoe said, a young man appeared at the Star and Garter theater and offered 35 cents for a ticket.

"You're short," he told him, referring to the price of admission.

"Oh, no, you're going to be short—I want all the money you got," he said, making a motion as though he were carrying a gun.

He fled with \$100 from the box-office till.

Halloween Benefit Set A new twist to the traditional Halloween "trick or treat" will be supplied this year by the caring girls.

According to council officials, Halloween activities of the girls this year will be directed toward collecting clothes, toys, books and the like, to send to children in Korea for Christmas.

The materials collected will be packaged as soon as possible after part of the camp fire organization's annual "Send Santa Overseas" project.

Klamath Falls residents are asked to cooperate with the drive, and treat the children of Korea to a wonderful Christmas.

Wilson's Get Gallows Date VANCOUVER, Wash., (AP)—Two brothers, convicted of the March, 1950, kidnap-slaying of an 18-year-old girl, were sentenced to death for a second time in superior court today.

Superior Judge Eugene G. Cushing ordered the brothers, Turman and Keith Wilson, hanged November 30 for the death of 15-year-old Joann Dewey, who was abducted from a street here. Her nude body was found later 50 miles to the east in Wind river.

The Wilsons, originally scheduled to die August 20, showed no emotion as Judge Cushing set the new execution date. Only their father, Mose Wilson, was in the court room at the time.

But before the two were returned to Walla Walla their mother and other members of the family arrived. They told their mother they were fine and not worthy.
