Several Markets To Close Monday

NEW YORK, (AP)—Financial and commodity exchanges throughout the United States will be closed Monday, in observance of Armistice Day.

Livestock markets will be closed as usual by the Department of Agriculture. Canadian and European markets will be open.

Air Lines Spark Market Advance

NEW YORK, (AP)—Air lines started the bull market for a general advance today in the stock market.

Once the forward movement sparked by the air carriers got under way, it quickly included all major divisions of the market.

Gains extended to between 2 and 3 points among leading issues. There were few minus signs of significance. Volume came to an estimated 1,500,000 shares, around the best level of the week. Yesterday's total came to 1,410,000 shares.

The most substantial progress was made in oil, copper, rubbers, steel, motors, rails, chemicals, aircraft, farm implements, and radio-television. The air lines were out in front yesterday's market which finally swung higher at the close after a waning course traced most of the session.

The market currently is still around the low points touched in the sharp break from the 1951 high of mid-October.

Annual Calf Sale Readied

Consignees to the second annual 4-H and FFA calf sale set for tomorrow at 1 p.m. in the fairgrounds auction ring began moving consignee stock into the Klamath County fairgrounds yesterday.

About 40 calves will go on the block for sale to club youngsters.

Charlie Wiese, Tulelake auctioneer, will cry this year's auction, which is under the general chairmanship of Alvin Cheyne.

Never a calf from last year's sale ranked high on the list of winners at this year's Rotary junior livestock show, and Cheyne reports a good grade of calves consigned for the sale.
