

THE MYSTERY OF THE TURKEY and the stuffing is being investigated by Karen and John, who are helping grandmother Mrs. John Liskey, prepare the holiday bird. Mrs. Liskey raised the prime gobbler on the home ranch on Lower Klamath lake. Christmas dinner will be cooked in the big, roomy farm kitchen. Mr. and Mrs. Liskey are maternal grandparents of the young onlookers.

Dining Wisely, Not Too Well Common Ailment

Santa Claus is always chubby. But he seems to be happy about it. However, too many people get up from the Christmas family dinner feeling fatter than St. Nick but nowhere near as happy.

The answer—they dine wisely but not too well. Plum pudding and mince pie with cheese at the end of a procession. Oyster soup to begin with, then turkey bursting with chestnuts, giblet gravy and cranberry sauce, mashed potatoes rich and fluffy. Brussels sprouts and onions agleam with butter.

Good, isn't it? It is a little heavy, you'll admit. But how about getting in some lighter and refreshing touches—a poinsettia grapefruit half at the beginning, for example. It's a beautiful sight decorated with red apple slices and puts no strain on the waistline.

With the turkey, a Florida Christmas relish—raw and refreshing—is a light-hearted suggestion. It can be made in advance and kept several weeks, leaving time at the last minute to wrap up the presents or help Johnny wind up his new train.

Tangerines, the delicious citrus fruit, always get invited to every Christmas celebration. But just to get an extra chuckle from Santa and to add one more delicate touch to the family feast, why not bake them with spices and march them in with the turkey?

Poinsettia Grapefruit Halves
To prepare, cut grapefruit in half; remove core if desired. Cut around each section, loosening fruit from membrane. Do not cut around entire outer edge of fruit. Leave peel on apple, cut in thin wedge-shaped slices; cut each slice

between grapefruit sections to resemble poinsettia. Place cherry in center.

Florida Christmas Relish (1 quart)
Four cups cranberries, 2 oranges, quartered and seeded, 2 cups sugar.

Put raw cranberries and oranges through food chopper. Add sugar and mix well. Chill in refrigerator several hours before serving. For Christmas garnish spoon raw relish in center of Florida orange slices. NOTE: This relish will keep well in the refrigerator for several weeks.

Baked Tangerines (6 servings)
Six Florida tangerines, 2 tablespoons seedless raisins, 3 tablespoons sugar, 1/4 teaspoon cinnamon, dash of salt, 1 tablespoon

melted butter or margarine, 3/4 cup Florida orange juice.

Make five vertical cuts in the tangerine skin from the blossom end to about 1 inch from the bottom; then pull peel down and turn the pointed ends in. Remove white membrane. Loosen tangerine sections at the center and pull apart slightly; set in shallow baking dish. Combine remaining ingredients except orange juice, and pile into center of tangerines. Pour juice over all and bake in a hot oven (400 degrees F.) for 15 minutes, basting during baking. Serve as an accompaniment with meat.

HOLIDAY FRUIT CAKE
4 cups seeded raisins, 2 T grated lemon rind, 1 T cinnamon, 1 T allspice, 2 1/2 cups of water or coffee, 2 1/2 cups chopped nuts, 4 cups sifted cake flour, 5 t double-acting baking powder, 2 t salt, 1 1/2 cups sugar, 1/2 cup butter or

shortening 2 well-beaten eggs, 3 t vanilla.

Combine raisins, lemon rind, spices and water in saucepan. Cover and simmer gently for eight minutes. Drain, pressing out as much liquid as possible. Measure liquid and add water or coffee to make 1 1/2 cups, and reserve. Grind raisins and nuts.

Measure sifted flour and add baking powder, salt and sugar; sift 3 times. Cream shortening thoroughly and add flour mixture, eggs, vanilla and reserved liquid. Stir until all flour is dampened. Beat vigorously for two minutes. Add raisin-nut mixture and mix thoroughly. Turn into two 9 x 4 x 3 inch pans which have been greased and lined with wax paper and greased again. Bake in a moderate oven (350 deg.) for one hour and 15 minutes or until done. When cool, remove from pan, leaving wax paper on until ready to serve.
