

# Looking for food savings?

Check these prices

You'll be delighted at the way savings add up when you shop regularly at Safeway. You see, all our prices are always low. This means you can save every time you shop—a few cents here, a few cents there. Multiply these savings by the number of shopping trips you make in a month, a year. The result is a substantial sum. For typical examples of values Safeway offers, check the lists below.
