

J. C. Penney Employees To Get Bonus

The board of directors of J. C. Penney company have authorized a special year-end payment of an amount equal to two weeks' pay for all full-time associates who have been employed for the full year of 1951, and proportionate amounts for extra and part-time associates and those employed less than a year.

All Penney associates except management staff members, whose earnings are determined largely by the company's long-standing profit-sharing plan, will share in the payment.

Sid Elliot, manager of the J. C. Penney store, said that more than 50,000 Penney associates throughout the United States would participate in the payment, including 50 of the Klamath Falls store.

He said the company president, A. W. Hughes, pointed out that the payment was "based upon the results attained for 1951. An extra payment of this sort for a company of our size represents a very large amount. The possibilities of a similar payment in future years will continue to depend upon the results attained in those years."

Hughes added: "We are happy that the company is able to recognize associates' efforts in this special, substantial manner in addition to the regular company provisions for associates' benefit, which include the sick benefit plan, the gratuity death and dismemberment benefit plan, the thrift and profit-sharing retirement plan, and others."

Court Vetoes Assault Case

YREKA — Fred Lee Wicks Jr., Quartz Valley, was found not guilty Tuesday in federal district court at Sacramento of a charge of assault with a deadly weapon. He had been accused of assaulting members of a church congregation last spring. Wicks reportedly did not like for his wife and daughter to be attending that particular church, and accused members of the congregation of encouraging them to disobey his wishes. Wicks and members of the church live on a federal Indian reservation, making it a federal case.

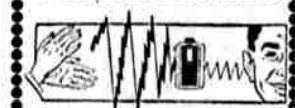

Card Tricks Too Tricky For Him

HAMILTON, O. — Is the hand quicker than the eye? Ask service station attendant Ronald George. Two strangers walked into the filling station yesterday and understated him in some card tricks. Later, George found they had taken \$50 of the station's money when they left. Police figured one man tapped the cash register while the other held George's attention by performing the card tricks.
