In a Small Swiss Town in the shadow of the Alps, many months ago, people were talking about the same thing... thinking about the same thing... doing the same thing... getting ready for CHRISTMAS in AMERICA and at RICKY'S... they were WATCHMAKERS... some of the best in EUROPE... makers of the world-renowned GIRARD-PERREGAUX SWISS WATCHES... TIMEPIECES all men and women are proud to own... They made such fine, accurate watches that kings on their thrones HOPED there would be enough GIRARD-PERREGAUX watches left for royalty... This "village" whose residents have been making the world's finest TIMEPIECES since 1791 is named La Chaux-de-Fonds... of the 25,000 residents in the "biggest village" in Europe, FOUR out of FIVE persons are in some way connected with the WATCH industry... RICKY'S tells us that in the working mechanism of a GIRARD-PERREGAUX timepiece there are MORE than 160 minute parts, so small that not even a flea could land on one... yet EACH tiny particle must be accurate to the thousandth of an inch... each little particle is polished like plate glass to make it glide perfectly into action... GIRARD-PERREGAUX watches have never been massed produced. They still after all the years since the SWISS began making them, are made with much handwork, much brainwork... THE MECHANISM is intricate, yet PERFECT... The final flourish of beauty, the fitting of the delicate WORKS into a stunning case is done within a breath of Fifth Avenue and then... the finished, perfect TIMEPIECE, a joy to own, a joy to give, comes to RICKY'S and YOU... If you plan to give a WATCH to HIM... to HER this CHRISTMAS... make it a GIRARD-PERREGAUX from your "Registered Jeweler," 700 Main.

Captivating PIERRE will bounce his way into EVERY child's heart... he's winning and winsome, a wise little wonder... empty his "nards", he's still a loved playmate... Tuck PIERRE in a stocking... he's the perfect answer to a child's holiday gifting... while you look at PIERRE, that jolly small fellow at NEAL'S... look to his sister... bewitching CANDY BLUM... a REAL doll hiding lollipops in the fold of her garment... The refreshing warmth of Christmas giving is ASSURED with a gift of BLUM'S CANDY from 1229 Main.

CURRIN'S The young in heart will be wearing "extra" hair for all the starlit, let's-go-here-let's-gather nights of the holidays... tiny tufts of curled tied Psyche-like with a wide rhinestone studded ribbon... the Directorate look with high pouff and cluster of curls on the back of your "noggins"...

KOHN'S FLOWERS & GIFTS If you plan to shop for cashmeres for someone's Christmas here are some pointers... the best cashmere comes from a small district in China... second best from Manchu... third best from the Persian Gulf... The region from which your new sweater comes affects the pocketbook... Weight and color effect prices... Lighter colors will cost you more... natural colors "oatmeal" and "fawn" will be less... white the costliest... Watch for tags marked cashmere and wool instead of pure cashmere and do not pay the same price... The highest priced cashmeres are woven in Scotland where climatic conditions are perfect.

Why Furrow Your Brow... why that pre-occupied expression... why that harried, haunted look when all should be serene if you've been a WISE Christmas shopper... done your stint early at the ART CENTER... Because you NEVER disappoint a lady fair with exquisite HANKIES look a careful look at the loveliest ones we have seen in many a day... sheer, hand-made, real Irish llinens, fragile as a wisp of mist, so delicately done they might have come from fairyland... virgin white, hand-rolled hems... Petticoats, sweet as posies from the nimble fingers of the Swiss... pure linen FLORALS, pretty as the first crocuses... Found those smart CRYSTAL and COLORED extra heavy PILGRIM GLASS ASHTRAYS... one of the most WELCOME gifts to give a smoker... LARGE enough to catch EVERY flick of ash... at the ART CENTER... another shipment of delicate BRUICK GLASS... muted colors BROCADED in self-shadings and GOLD... odd PLATTERS... ASH TRAYS... tricky RELISH DISHES... And lest you FORGET... your dollars will buy like TEN DOLLAR GOLD PIECES when you shop for HANDMADE GIFTS at 1227 Main, the

ART CENTER Now that candlelight and firelight time is here, this trick that works will save you some bad moments. To avoid candle drippings on your lovely holiday linens, rub each candle thoroughly between well-soaped palms. When the candles have dried they will not drip. Do this a few days before you plan to use them... It's a tried tip.
