Also caught here during the stormy days last week were Mr. and Mrs. Crocker and son Jimmy of Eugene, Ore. They came down on Thursday to do some goose hunting and visit friends at the home of Mr. and Mrs. Raymond Johnson. Due to the severe snow storm, they had to extend their visit until Wednesday.

Saw several Westsiders in town Saturday. Among them were the Chandlers, Bucks, Martins, Crowls, Newmans, Fennimores, Paxtons, Raabes and Christiansens. There were probably many more as the town was really packed with people Christmas shopping.

FORT ROCK

By ROBERTA McGEE

Clyde Hutchinson of Detroit, Ore. formerly of Fort Rock, was accidently shot Sunday, December 9 before noon, when he opened the door of his truck on the right hand side and his .22 rifle fell hitting the running board and causing it to discharge. The bullet that struck Clyde in the ribs on the left side lodged in the flesh of the shoulder. Clyde was taken to the St. Charles hospital in Bend where he was treated and released. The bullet will be removed later. The accident happened on the Bill Mattis ranch. Clyde has been in the Fort Rock Valley the past week on business.

A farewell party was given to Mr. and Mrs. Howard Anderson on Thursday evening, December 6. Mrs. Leon Gilder and Dick Schaub and Edith Pitcher were in charge of affair. There was square dancing, and the Andersons took pictures of the group with their flash camera. The grange presented them with a lovely blanket. Mrs. Anderson left for Wauchula, Fla. that night with her two daughters and her sister Alma Coleman, who was visiting her from Florida. Anderson will leave for Alaska in about a month where he plans on homesteading, and will call for his family when he is settled. The community wishes them the best of luck on their new venture. (The musicians for the evening were Ed Eskelin, Avon Derrick, Mrs. Gilder and Owen Pitcher, calling.)

I wish to apologize to Mr. and Mrs. Bob Morehouse for omitting their names from the guest list of those who attended the gathering at the home of Mr. and Mrs. Maurice Ward last Saturday evening.

U.S. Has Lost 900 Planes

WASHINGTON, (AP) — American forces have lost more than 900 planes in the Korean war.

This figure, which includes some non-combat losses, compares with a claimed destruction of about 300 Communist planes in actual air or ground action.

Air force and navy officials, in giving out the figures, said today they do not view this as disproportionate for several reasons including: (A) American planes have been incontinuous action since the start of the war in June, 1950, while Red planes have appeared in significant numbers only during last eight or nine months; (B) much of the operation of American planes has been low level attack to support ground troops, where the planes encountered ground fire while the Communists have used no similar aerial support of their troops.

Rent Controls Go Into Effect

WASHINGTON, (AP)—The office of rent stabilization Wednesday ordered rent controls into effect in the area of the Mountain Home (Idaho) air base.

The order directed that maximum rents be those charged on May 1, 1951, when reopening of the base brought large increases in personnel there.

The Mountain Home area included in the order covers Mountain Home precincts one and two, including the city of Mountain Home, in Elmore county.
