

In The Day's News

(Continued from page 1)

We'll throw the rascals out. Next year! Harry Truman is a little scared. Like the Devil in Rabelais' lines, he is in the mood to put on a show of BEING COOL.

Non-Support Draws Prison

Three-years probation for Marvin Lee Conner, 28-year-old logger, lasted less than seven days on conviction of non-support of a minor child.

On December 8 he was arrested again on complaint of his wife and convicted in municipal court of being drunk.

This morning Circuit Court Judge David R. Vandenberg sentenced Conner to one year in the Oregon state prison.

Also up for violation of probation was 28-year-old James Everett Ellidge, returned here November 8 from Danville, Ill.

Ellidge was given five years probation February 2, 1948, on conviction here of assault with intent to rob.

The district attorney's office reported to the court Ellidge had violated his probation by leaving the state without permission and failing to make his monthly probation reports.

His case was to be considered in court early this afternoon.

Thomas Harold Rupe, 32, Merrill, pleaded guilty to larceny in a dwelling in another court action this morning and was remanded to the county jail to await sentence.

He admitted stealing three guns from the home of his brother-in-law, Everett L. Ward, 1600 Ivory, about August 3, of this year.

Rupe said he took the guns because he was broke and sold them in Idaho for about \$130.

One of the guns has been found according to the district attorney.

NEBRASKA CORNHUSKERS (above), one of the country's bands, is billed for the army here Saturday night. The mousen. Promoter Baldy Evans says he dickered with the fore landing the attraction for Klamath Falls.

MARKETS and FINANCIAL

Sales Pressure Downs Grains

CHICAGO, (AP)—Grains failed to attract much support today and prices slid downward under light, but persistent, selling pressure.

The only time when the market indicated that it might spend a day on the upside was at the opening and shortly thereafter. In this period all cereals scored minor gains, led by rye and soybeans.

The downward trend set in within the first hour and it continued, with minor interruptions, to late in the day. Lowest prices were recorded in the final half hour.

Wheat closed 1/4-1/2 lower, December \$2.63 1/2, corn 1/4-1/2 lower, December \$1.82 1/2, oats 1/4 to 1 cent lower, December \$1.15 1/2, soybeans 1/4 lower, December \$2.07 1/2, and lard 1/2 to 7/8 cents a hundred pounds lower, December \$14.87.

Table with columns: Dec, Mar, May, July, Sep. Rows: Open, High, Low, Close.

Chemicals, Airlines Spark Advance

NEW YORK, (AP)—The stock market turned up a bit near the close today, with chemicals and air lines showing the way with strong leadership.

Gains ran to around 2 points at the best while losses were held at a point or less.

Trading came to an estimated 1,400,000 shares as compared with 1,280,000 shares yesterday.

Oil, copper, and radio-tv shares had a following from time to time but they didn't get very far.

Anacosta copper was higher and in demand after the government decided to let the company get into the aluminum business in a 140 million production project.

A number of large blocks changed hands during the day including 10,000 shares of Texas Co. at 50 1/2.
