Aloha Chapter

Letha Murphy will preside over the destinies of Aloha chapter 61, Order of the Eastern Star, during the year 1952, as a result of the election held Tuesday evening at the regular bi-monthly chapter meeting in the Masonic temple.

Officers elected to serve with Mrs. Murphy include Elmer Bramlett, worthy patron; Rhoda Harnden, associate patron; Clorice Williams, secretary; Clara Sherman, treasurer; Rena Oldham, conductress; Edna Jones, associate conductress.

Betty Hunter, worthy patron, and Alva Oldham, worthy patron, presided for the last time at this meeting. Gifts were presented to the retiring worthy patron by John's daughters and the Courtesy girls in special addendas. Rhoda Harnden, in behalf of the 1951 officers, also presented a gift to Betty Hunter. The Courtesy girls in their special addenda included James Hunter, husband of Betty, who has given such wonderful support to his wife all during her year as worthy patron.

The retiring worthy patron thanked all officers and members for the wonderful cooperation they gave her during the past year, and reported thirty members added to the chapter roll during this period. She presented a gift to Alva Oldham, retiring worthy patron, in appreciation of his loyalty, and paid a tribute to her husband for his faithfulness and untiring skill in making each meeting a success.

At the close of the chapter session members gathered in the dining room and were seated at the long tables radiating from a central scene long to be remembered. James Hunter, assisted by Matthew Adamson had built a church, about six feet high, four feet long and three feet wide including a bell tower and steeple, stained glass windows, open portal, with the inscription "Peace on Earth" inscribed above the entrance. The room was darkened the church bell tolled, all heads were bowed, from the church came a prayer, transcribed by Rev. Orin of the Episcopal church.

All during the refreshment period Christmas music came from the lighted church.

Servings in the dining room were Luella Chibote, Mr. and Mrs. Kirk, Jane Howell, Mrs. Tyrrell.

Thus was brought to a close the session of Aloha chapter for 1951, and Betty Hunter and Alva Oldham were congratulated for having made this an outstanding year in Aloha chapter history.
