

Committee Seeks KF's Man of Year

Who was Klamath County's outstanding young citizen in 1951? A secret committee of the Junior Chamber of Commerce is now trying to decide. The man they select is to be honored at the annual dinner meeting of the senior County Chamber Jan. 15, 6:30 p.m., at the Willard Hotel.

Identity of the recipient of the Junior Chamber's annual Distinguished Service Award key is to be kept secret until the moment of presentation. Only the five committee members will know who the honored young citizen is.

Only qualification for the honor other than service is age; the DSA winner must be under 35 years of age.

The DSA awards are made each year by Jaycees throughout the nation. State winners are then selected from the various club winners and eventually a national winner is selected. Candidates do not have to be Jaycee members.

City Councilman Darrell Miller was last year's winner here. Previous Klamath winners were: 1935, Percy Murray; 1936, Harlan Bosworth; 1937, L. Orth Sismore; 1938, Charles Mack; 1939, Clifford G. Jenkins; 1940, Martin Swanson; 1941, Don Drury; 1942, Ralph Waggoner; 1943, James Kerns Jr.; 1944, John Sandmeyer; 1945, Kari Dehlinger; 1946, Robert R. Walker; 1947, James Stilwell; 1948, Cnel Hamaker; 1949, Earl Kent.

CLASSIFIED 1-A—Mrs. Joe Willie Riley (above), a Gold Star mother, displays a draft notice to report for induction. Mrs. Riley classified 1-A by the draft board, has received frequent notices and says she is ready to go into service if the government continues its effort to draft her. She lost one son in World War II and has another in the civil air patrol.

Assault Draws 3-Year Term

Winfield Chiloquin, 23-year-old Klamath Indian, Thursday was sentenced to a three-year federal prison term for assault with a dangerous weapon.

He was convicted at Portland last month of hitting a Mexican, Vincent Hurtado, with a broken beer bottle at Chiloquin on the Klamath reservation.

At the time of his trouble with Hurtado, Chiloquin was already on probation from a previous assault conviction. Sentence was passed by Judge Claude McCulloch in Portland.

Also sentenced to prison by Judge McCulloch was Marceline Vera Herskhan, 22, Klamath Indian woman, for violation of probation.

She was placed on probation for three years December 12, 1947, originally charged with obstructing efforts of officers attempting to arrest Rex Butler and Percy Ball, wanted for shooting Indian Officer John Arkell.

A burglary in Klamath Falls last October was the basis of the revocation of probation.

Government Clamps Down On Sales Of Surplus Farm Goods; Korean War Blamed

WASHINGTON (AP)—The well-stocked special sales counter of surplus farm products Uncle Sam set up two years ago is taking on the appearance of a bargain basement after a shoppers' rampage.

In short, it is nearly empty—reflecting a heavy volume of sales and government withdrawal of some stocks for possible future emergencies.

Two years ago this month, the Agriculture Department, holder of a mounting supply of farm commodities which at that time involved an investment of more than four billion dollars, adopted a policy of offering specific items each month for sale at home and abroad. Many of them were priced at bargain rates.

The first sales list included dried milk, cheese, butter, peanuts, linseed oil, dry beans, wheat, flaxseed, oats, barley, corn, potatoes, potato starch, Mexican canned meat, dried eggs, frozen turkeys, and cottonseed oil.

The list for this month includes only dry beans, dried eggs, dried

Nutritionist To Speak In Klamath

Mrs. Alice Anne Gerber, Oregon Dairy Council nutritionist, will be a guest speaker at tomorrow's Klamath County Dairywomen's Assn. annual meeting in the Winema hotel.

The meeting is scheduled for 10 a.m. in the Winema hotel.

According to Pres. Wilbur Reiling, election of officers of the group for the coming year is also scheduled, as well as discussion of marketing and promotion of the dairy products.

Stockman Says Ike Won't Run

PORTLAND (AP)—Rep. Lowell Stockman (R-Ore.) believes Gen. Dwight Eisenhower will not run for President this year.

Stockman predicted that Sen. Robert Taft (R-Ohio) would win the Republican nomination and go on to win the presidency.

In an interview here after arriving from his Pendleton home, where he spent the holiday, Stockman said Eisenhower would not leave his present European job.

"Gen. Eisenhower will not run on any party's ticket. He's too engrossed in building up military security in Europe," Stockman said.

Strangler To Be Examined

LOS ANGELES (AP)—A 16-year-old boy who strangled a little girl left in her care will be examined by three psychiatrists.

After their report their findings Jan. 15, the court will decide whether the girl, Delora Mae Campbell, is to be treated as a juvenile or tried as an adult.

Dr. Marcus Graham, county jail physician, examined the boy after he was taken to the county jail. He is 16 years old and is being held in the juvenile hall with a man's sock last Sunday.

Dr. Graham's report said Delora Mae has a "burning resentment against her mother... without a knowledge of basis, but apparently she and her father, (Clem Campbell, 44, of Fort Lupton, Colo.) are very friendly."

The father flew here to help her, but she showed little response. She has been living with an aunt because of difficulties with relatives in Colorado.

The court ordered Delora Mae transferred from juvenile hall to the county jail "for her own protection," Judge McKesson said he wanted her kept in segregation in the jail to spare her any injury or embarrassment.

Merrill Cubs Hold Party

MERRILL—Merrill Cub Scouts Pack 7 concluded a busy month on Thursday evening, December 27, when a Pack meeting and party were held at recreation hall.

Reverend George Milne said grace and potluck supper was enjoyed by the large group of parents, Cubs and youngsters attending.

The Cubs presented a skit "Christmas in Foreign Lands." Numerous awards were made. Sammy Carleton and Billy Thompson were awarded the bear badge and arrow points. Richard Wilson has earned his wolf badge, and Dwayne Cobb received his one year service star. The den chiefs received their grand bowl of thanks and scout oath plaque from the pack.

Myron Haskins presented each Cub with a Cub Scout promise plaque. Kathleen Brickner, Helen Carleton, Leona Beasley and Sylvia Haskins received den mother pins. Chris Lerner received his den chief cord.

Den 2 retained the Cub pennant for having the largest percentage of parents and Cubs present.

All participated in the gift exchange. While the boys sang their closing song Santa burst into the room and distributed treats to all.

Earlier in the month the annual Christmas tree hunt was held. Many Cubs and parents waded through deep snow, but managed to get trees for all.

On December 23, the Cubs went on their Good-will tour. They distributed gifts to the sick, shut-ins, and aged, and food baskets to the needy.

A pack leader's meeting will be held Wednesday January 2, at the recreation hall. Time is 7:30 p.m., and all leader's are urged to attend.

Falcon Island in the South Pacific disappears at intervals of years without regard for geographers. The scientific explanation is that Falcon Island is produced by intermittent eruptions of an underwater volcano.

Oldster Retains Skill With Sled

JAFFREY CENTER, N.H. (AP)—Miss Mabelle E. Cutler, 80, says she'll be "ditched" if she'll assume any "elegant sitting position" on a sled when it's more fun to slide "belly bumps" fashion.

She coasted down Main Street in the prone position on her 80th birthday last week and says she'll continue doing it as long as the snow lasts this winter.

Check Passer Gets 5 Years

Eugene Maurice Gill, 33, lately of Portland, who used the name of Bob Porter to cash bum checks around these parts, got a five-year prison term yesterday afternoon in circuit court.

Gill was arrested in Redding, Calif., late in November and pleaded guilty here to obtaining money by false pretenses.

He admitted being still on probation from Toledo, Ore., on a check charge and being wanted in Montana for passing bad checks.

Stricken Woman Said Recovering

A woman, admitted to Klamath Valley Hospital yesterday afternoon critically ill from lysol poisoning and exposure, was reported improved today.

She was identified as Mrs. Edna Jennison, 4454 Austin St.

A neighbor discovered the woman lying near an out building behind her home about 2 p.m. yesterday. She was taken to the hospital by Kaiser's ambulance.

Baritone Back With Met Again

NEW YORK (AP)—Baritone Robert Merrill is back with the Metropolitan Opera Company.

Last April Met manager Rudolf Bing fired the singer for missing a matinee performance and doing some picture work in Hollywood instead.

Bing announced Merrill's reinstatement Thursday and released an exchange of correspondence in which the singer expressed "deep regret for my action." Bing replied: "To admit one's mistake... is a sign of moral courage and decency."

Some of the oldest checks in the United States are now in the Chase National Bank collection. They were signed by a Dutch merchant and were dated March, and September, 1684.

MILK

IS VITAL TO Family Health.

The results of a fifteen year study show that adults fail to consume adequate milk for physical well being. Dad, who "fires" a little faster than he once did, and Mother, whose patience shortens at the end of the day, can both benefit by increasing the amount of MILK and dairy foods in their diets.

TRY THIS:
For the next six weeks drink MILK instead of coffee or tea with at least two of your meals each day... and FIND OUT how much BETTER you can FEEL! Be your YOUNG SELF again!... for MILK is the MOST VALUABLE single food ON EARTH.
