Meat Supply Outlook Glum

WASHINGTON # — Contrary to hopes, the nation will get little more meat this year than it did in 1951—because of dwindling feed grain supplies—and prospects are even worse for 1953.

The Agriculture Department Friday estimated that reserves of such grain sorghums—will drop to 18 million tons by next Oct. 1. That is about 10 million tons below last Oct. 7.

Oct. 7.
With feed scarce, farmers quit
