### **Grains Weaken At Close Of Market**

NEW YORK, (P-With a great deal of hesitancy, the stock market backed down all around Tuesday. Losses were fairly general in all departments and ran from frac-tions to between 1 and 2 points at the most CHICAGO, IM-Grains weakened toward the close of Tuesday's board of trade session, with wheat showing the least resistance to comtission house selling. The closing trade was active and

prices were pushed down to below the previous close in some instan-

the most. At the same time there was con-siderable selective buying that formed individual strong points in ces. Brokers said the liberal offerings in wheat came from professionals and commission houses alike, in-dicating disappointment in lack of development of export business. Earlier some flour business was in-tioneted formed individual strong points in many divisions. As prices fell, trading volume contracted. The total for the day came to an estimated 1,200,000 shares as compared with 1,540,000 shares Monday.

Corn and soybeans joined in the decline, but showed more resist-ance than wheat and oats. At the finish wheat was ½ to 7, lower than Monday's close. March 22.571/-5. Corn was 1/s higher to 1/s lower, March S1.915. Oats were 1/s higher to 3/s lower, March 95/s-1/s, Rye was 1/s higher to 1/s lower, Mary 22.511 1/s-11. Soybeans were 3/ higher to 3/s lower, January 22.95 991/s and lard was 5 cents a hun-dred pounds higher to 3 cents low-er, January 21.460.
