

QUESTIONED IN DEATH OF TEEN-AGERS—Anthony Redmond (center), 20, of Royal Oak, Mich., is shown after he had surrendered as driver of the car which struck Jessica Anastos (left), 15, and Barbara Holloway (right), 17, on a Pontiac, Mich., street at the stroke of midnight on New Year's Eve. Bodies of both girls were found in a snowbank. Police at first suspected foul play. Police quoted Redmond as saying he was driving along the street in a heavy fog, "watching the time because of the New Year coming in." It was exactly midnight—we were saying 'Happy New Year' to each other—when I caught a glimpse of a girl's coat and felt a bump.

Resources Meet Dates Announced

OREGON STATE COLLEGE—Dates for the fourth Institute of Northwest Resources, which will be held in connection with the 1952 Oregon State college summer session, have been announced as June 23 to July 5.

The Institute is designed to provide better understanding of the northwest through accurate coordinated knowledge of resources, their distribution, utilization, conservation and potentialities for development.

All sessions are open to the general public but either undergraduate or graduate credit may be obtained for students enrolling for the full semester course.

A four-day session plus special meetings will be held on the campus followed by a nine-day field trip to southwestern Oregon featuring forest and recreational resources.

PARTY PRETTY SALAD

For a partyish easy-to-make salad you'll need 1 envelope plain gelatin, a 12-ounce can apricot whole fruit nectar, an 8-ounce can fruit cocktail, 1 orange and 1 small Calavo. Soften the gelatin in a half cup nectar and dissolve in the remaining nectar which has been heated. Add the canned fruit cocktail, diced orange and diced Calavo and chill until firm. Stir a couple of times while it's chilling.

Tomorrow afternoon the monthly student body meeting will take place, bringing to a close school for this week, and semester. Friday students will enjoy a mid-year holiday from the toils of study. But Monday? Report cards!

The Annual staff can be seen about everywhere these days, collecting baby pictures and snapshots, running down to Guderian's Studio, and having more class pictures taken. The deadline is not far away for the Annual to be sent to the publisher.
