

Young Citizens

SOCIETY

by Milly Ramsby

A BIRTHDAY PARTY . . . for Annette . . . daughter of Mr. and Mrs. Robert H. Fredrickson was given at their home, 219 Michigan. The picture, taken on her fifth birthday, Jan. 16, shows Annette with her guests. From the left, Marla Neslin, Jennifer Hummell, Barbara Walrath, Joan Yaggoner, (in back of Joan) Marcella Neslin, Cheryl Ann and Carolyn Lee Ball, Annette and Donna (Teena) Fredrickson. The last four are grandchildren of Mr. and Mrs. Harold E. Fredrickson, 1632 Austin.

INTRODUCING TWO GOOD LOOKING YOUNG newcomers to Klamath Falls - at left . . . Daniel Scott (Danny) and Donna Lynn, 5 and 3-year-old children of Mr. and Mrs. Dan Kettler. So many have asked if our staff photographer had any children . . . the picture is submitted as an answer.

SNOW . . . CHILDREN . . . AND A PET DOG . . . are a perfect combination for a winter scene, as our photographer found Leslie Jean, fifteen months, and Pamela Jean, five and one-half years old, winsome young daughters of Mr. and Mrs. Thomas E. Perkins, 4677 Crosby. The basset's name is Loree . . . seven months old and a little camera shy . . .

All photos by Kettler.

JUST HOME FROM SCHOOL were Joan, eleven, and Janet, six, attractive daughters of Mr. and Mrs. Charles E. (Chuck) Seavey, 1930 Manzanita, with the household's very special pet, "Boots." The young misses both attend Sacred Heart Academy.

"O, COME LUCILLE WITH ME" could be what the handsome young man in the blazer is intoning . . . except that the pretty young girl's name is Kathy and she doesn't think that there is quite room enough in the sporty car for both herself and her brother Jimmy. They are the children of Mr. and Mrs. Michael A. McGuire, 1861 Fremont, and are five and two years old.

A DIFFICULT DECISION for Kathy, with big brother Tammy, on the alert, is being made as the photographer took this picture of Thomas David, eight, and Kathleen Anne, six, children of Mr. and Mrs. James B. Cronan, 465 Laguna. They are third and first graders at Sacred Heart Academy.
