

THEORETICALLY, Billy (left) and Herb Parks will be wrestling foes tonight in the six-man battle royal at the armory. But, blood being thicker than water, it will be interesting to see how the grappling brothers maneuver things in an attempt to steer one to the \$300 bonus pot that goes to the winner.

Battle Royal on Tonight

Six wrestlers, including the huge Swedish Angel, quarrel tonight for supremacy—and a \$300 side pot—in the type of match designed for thrills. Matdam calls it a battle royal bound to give when a half dozen musclemen crawl in the ring at the same time with mayhem their major aim. The Angel's size—he's some 240 pounds to put it down conservatively—will make him the favorite. But it will be no breeze for the rusesome grappler. Look at the line-up he'll face: Cowboy Carlson, who came within a whisker of winning Frankie Stojack's Pacific Coast junior heavyweight title in two matches here several months ago. York Gregorian, dubbed the Rumanian Ape by the wrestling fraternity, probably the strongest of the lot. Kurt Von Poppenheim, who isn't particular how he wins. And the parks brothers, Herb and Billy, who are just plain tough. The winner gets an extra \$300 dollars, but it will take a lot of doing. The battle royal opens the show. The first two to get their lumps can nurse their wounds on the sidelines the rest of the evening.

DeMolay Wins, Loses

DeMolay's No. 1 team won in victory league competition last night at Fairview but the No. 2 DeMolay team took its lumps from the oft-beaten Trades and Industry quint. DeMolay's first team beat Crater Lake, 43-21, with George Vlahos, Ing Montgomery and Bill Pickett teaming up for 12, 11 and 10 points. T & I's Sanders dumped 18 points and Hoeller added 14 in that team's 43-31 win over DeMolay's second team.

Riegger Pick In Trapshoot

TUCSON, Ariz. 18 — Scattergun enthusiasts from 30 states and Canada were on hand for opening events of the fourth annual Arizona State Trapshoot Wednesday. Arnold Riegger of Seattle, winner of the over-all total in the national trap meet this year, is favored to win high gun honors. His average is the best in the United States. In 1951 he broke 8,741 of 8,838 targets for a 98.65 per centage.

Navy Releases Grid Schedule

ANNAPOLIS 17 — Navy formally unveiled its 1952 football schedule Wednesday and, as expected, it included two new Southern Conference foes and one from the Ivy League. The Midshipmen replace Princeton, Rice and Northwestern from their 1951 schedule with Cornell, William and Mary and Duke. Also on the schedule are Yale, Maryland, Pennsylvania, Notre Dame, Columbia and Army.

Another major milestone in hauling progress

GMC PRESENTS THE FIRST 2 1/2-TON DIESEL

At last—Diesel economy and hill-leveling performance come to thousands of truckers who have never had any choice but gasoline power in the past!

WEST-HITCHCOCK CORPORATION
477 So. 7th St. Klamath Falls, Ore.

You'll do better on a used truck with your GMC dealer

GMC DIESEL TRUCKS
19,500 GVW to 90,000 GVW
Your key to greater hauling profits

Today America's foremost builder of Diesel trucks smashes the size-weight barrier that up to now has denied the many economies of Diesel power to haulers of medium-weight loads. Today GMC offers users of equipment in the 19,500 GVW-35,000 GCW range a sensational new Diesel truck-tractor. It is powered by the first welterweight Diesel truck engine—a smaller, more compact model of the famous General Motors 2-cycle engine that has made GMC America's first-choice Diesel truck.

More Miles per Gallon
Because it is Diesel-powered, this new GMC Model D450-37 will cost you far less to run per mile, far less to maintain per year than any other 2 1/2-tonner you've ever owned. All Diesel experience proves that.

Because it is a 2-cycle Diesel, it is a fast-starting, quick-accelerating, highly responsive truck with plenty of snap in traffic—a truck that will maintain a steady "on time" schedule even on hilly runs.

Fuel economy is automatic thanks to GMC's famous Fuel Modulator. Regardless of throttle pressure this engine never gets more fuel than it needs and makes the most of what it gets. Smooth driving is assured by "easy-turn" recirculating ball-bearing steering—even electric shifting on two-speed axle models.

Nationwide Service
Equally important to the thousands of truckers who can now enjoy the benefits of Diesel power for the first time, this new GMC D450-37 is backed by the nation's largest network of Diesel service stations.

Before you buy another truck, you owe it to yourself to investigate these new GMC welterweight Diesels if you want to cut costs! We will be glad to give you facts and figures that will open your eyes. Why not come in today?

Get a real truck!
