

Vogeler Pal Probed By U.S. Agents

VIENNA, Austria (AP) — U. S. diplomats and intelligence officers tried to find out Thursday whether Nikita Khrushchev, the "good Russian" Robert Vogeler claims he is or a crafty spy in refugee's clothing.

Vogeler said Khrushchev tried without success to help him escape from the Hungarian prison where he was jailed 17 months as a "spy." Vogeler sponsored migration to the United States for the 30-year old Khrushchev, his wife and two sons. But Walter J. Donnelly, U.S. ambassador to Austria, canceled their visas Wednesday and ordered destruction of pictures showing Donnelly shaking hands with Khrushchev.

One U.S. intelligence officer said he believed the "good Russian" misled Vogeler. Another added "something new" had been turned up about the man. In New York, Vogeler added to the story. He blamed withdrawal of the visas on a man he said is working as a secret agent for U.S. intelligence but really is a "double agent" for the Russians. He said this mysterious figure tried to blackmail Mrs. Vogeler for \$50,000 and had threatened to make trouble for Khrushchev. Khrushchev himself is a mystery man. He was originally described as a "former Russian officer." The caption of the picture showing him with Donnelly said he was a Hungarian. Later, American officials said he is a Russian. Wednesday night, one official called him a Czechoslovak.

Belgian Cabinet Wins Confidence

BRUSSELS, Belgium (AP) — The new Belgian Cabinet won a 103-93 vote of confidence from the House of Representatives Wednesday night. Two members abstained.

The test for Premier Jean van Houtte and his Social Christian government came after two days of debate in the Lower House. Later in the week the Cabinet will seek a vote of confidence from the Senate.

Van Houtte formed his government after Premier Joseph Phoele, another Social Christian, resigned due to criticism from his own party, which has a majority of Parliament's seats.

The Cincinnati Reds have used Tampa, Fla., as their spring training site ever since 1931, with the exception of the war years.
