PICTURE PRETTY

For a February party dessert serve hard balls of ice cream with a canned red cherry and almond sauce. Make the sauce with 2-3 cup cherry syrup, 1-3 cup sugar and 1 1/2 tablespoons cornstarch. Cook until clear and thickened, and stir in pitted cherries and roasted blanched almond halves. Serve warm or cold.

Want a new way to serve creamed onions for winter menus? Add about a half cup of broken walnut meats to them after they are heated and just before serving.

When you're removing a ring from a hair use a sharp knife and be careful not to break or tear the fat. When you score the fat don't cut too deeply.

Club Discusses Dish Gardens

The January meeting of the Evergreen Club was devoted largely to a discussion on dish gardens. A number made by members were on display. Mrs. Joe Cox spoke on selection of plants, choice of containers, preparation of soil, fertilizers and general care of dish gardens.

Mrs. Will Woods, president of the Klamath Falls Garden Club gave an interesting illustrated report on the novel ideas for Christmas arrangements at the Portland show. Mrs. Duane Alexander presented a demonstration on the making of dried flower pictures from blooms, leaves, grasses, explaining preparation of material, arranging and mounting. Her talk was illustrated with a number of pictures she had made. This is one of the most fascinating fields in the culture of flowers.

Refreshments were served by Mrs. C. H. Kelley and Mrs. W. G. Beyer, hostesses.

brimmed hats worn well forward over the brow, perfect with the short poodle hair cuts.

SNAZZY BEANS

Here's a good trick to dress up canned green beans quickly. Drain a No. 2 can beans and boil down the liquid to 3/4 cup. Meanwhile cook 1-3 cup chopped onion in a tablespoon butter about 5 minutes. Stir in 1 tablespoon flour, 1/2 teaspoon dry mustard, 1/4 teaspoon salt and the bean liquid. Add drained beans and 1-3 cup chopped ripe olives. Heat thoroughly.

Aero-Design and New Hurricane 6 Engine Give the Aero-Willys Mileage up to 35 Miles per Gallon

It's the big car news of the year—this beautiful Aero Willys! For no other car gives you 61-inch-wide seating, front and rear... and a smooth, quiet air-borne ride... and take-off performance... and sensational mileage—up to 35 miles per gallon, with overdrive. It is aero-designed—low and wide, big inside and streamlined from its plane-wing hood to its rear air-fins. It has a new 7.6-compression Hurricane 6 engine, turning up 90 horsepower on regular gas. That's why the Aero Willys is a performing ace, a record-maker on mileage.

See the Aero Willys today—you'll see why it is the most talked-about car of '52. Never before such panoramic visibility—you can see all 4 fenders from the driver's seat, see the road just 10 feet ahead! We invite you to ride in the Aero Willys and experience the cloud-soft cushioning of its unique springing, aero-type shock absorbers and rubber-floated drive. Road-test it and see how its low center of gravity—only 23 inches from the road—holds it steady and sure on curves. See it now—the one that's really new for 1952.
