and coat be hidden inside a womander girdle?

"It is physically impossible to do such a thing," said Defense Attorney Carson D. Baker Tuesday at the trial of two women accused of shoplifting such a coat by conscealing it under the girdle one of them wore.

"Then, as he strutted back and lorth before the jury, the prosecutor asked: "I leave it to you to decide whether it could or could not be done."

Sixty minutes later the jury found Margaret Walker, 30, and Mrs. Leary Wright, 47, both guilty.
