Trophy Marks KASRU Work

The trophy would bear the names of deceased KASRU members.

A nominating committee to select nominees for officers for the coming year was also named last night. It included: Archie Davis, Babe Reeder, Eldon Alt, Ed Scholler and Ivan Kesterson.

Carter Put On Probation

A 66-year-oldster, Tobe C. Carter, 3619 Cannon, taken to challenging people to duels, got off light on pleading to disorderly conduct before District Judge M. A. Carter Wednesday afternoon. (The two are not related.)

Tobe was arrested Tuesday afternoon at S. 6th and Altamont by State Police after allegedly threatening Homer Daniel, Melter Bros. night watchman, with a gun and cursing at him. (In a story in Wednesday's Herald and News, Daniel was mistakenly identified as operator of Swan Service Station. Operator of the station where part of the fracas occurred is Arthur Holst.)

Tobe Carter Tuesday pleaded not guilty to the count but changed his mind Wednesday.

He was put on probation for five months by Judge Carter and assessed \$5 court costs.

In a similar brush with the law in September of 1950, when Tobe reportedly challenged a State Policeman to a duel and was charged with giving liquor to a minor, being drunk and disorderly conduct, he was fined \$370. He paid out after spending several days in the County Jail.

Puzzles Astray, More Coming

Big Pulp Mill Start Planned

SPOKANE, (P)—A director of the newly-formed Kootenay Forest Products, Ltd., said Wednesday it's possible that work will start this year on the firm's proposed 20 million dollar pulp mill at Nelson, B. C.

James Hickey of Deer Park, Wash., said, however, the mill isn't expected to turn out any new print of kraft paper before 1954. The new firm, to be operated by owners of the Deer Park Lumber Company and headed by Walter M. Leutbold, will have a mill capable of turning out 200 tons a day, Hickey said.

A sawmill to be used in conjunction with the pulp mill will be completed in March and will have a capacity of 38 million feet of lumber a year, he said.

He said there are about 400,000 acres of "pulp timber" near Nelson, assuring a big source for the mill. It will employ between 800 and 1,000 men.

He was given 30 days and fine of \$154.50 or an additional 77½ days.

Barkley will serve his time in Klamath County Jail.

Keeping him company for 7½ days will be Calvin Chipps, 31, Chiloquin, on conviction of being drunk on the highway.
